Phone: 208-123-4567

Email: email@email.com

Dedicated and skilled ER nurse with seven years of diverse experience, seeking to contribute expertise in emergency care, rapid assessment, and trauma response in a dynamic healthcare environment.

## Experience

### Emergency Department Nurse

Level 1 Trauma Center, City Hospital, Boise, ID

March 20XX–Present

- Managed critically ill and trauma patients, coordinated care, and collaborated with multidisciplinary teams in a 30-bed ED.
- Performed rapid assessments, initiated lifesaving interventions, and oversaw the application of advanced cardiac life support (ACLS) and trauma protocols.
- Demonstrated proficiency in managing multiple high-acuity patients, ensuring timely and effective care delivery.
- Rotated to triage, trauma, psychiatric, and general ED.

### Emergency Department Nurse

Rural Health Medical Center, Robie Creek, ID

April 20XX–March 20XX

- Provided comprehensive emergency nursing care to diverse patient populations in a rural setting.
- Participated in community education initiatives on emergency preparedness and first aid.
- Responded efficiently to various medical emergencies, including cardiac events, respiratory distress, and trauma.

### Med-Surg Oncology Nurse

Community Hospital, Idaho City, ID

June 20XX–April 20XX

- Delivered compassionate care to 5 oncology patients per shift on a medical-surgical unit.
- Coordinated with oncologists and other healthcare professionals to manage patient treatment plans.
- Developed expertise in pain management, chemotherapy administration, and supportive care for oncology patients.
