

# Linda Wellness, RN, COHN-S

7654 Health Haven Avenue  
Greenville, NC 27834

Dedicated occupational health nurse with 10 years of experience in promoting workplace wellness, reducing workplace injuries, and ensuring employee health and safety. Seeking a challenging role to leverage expertise in occupational health, case management, and health education within a progressive healthcare environment.

## Experience

### Occupational Health Clinic Nurse

Pharmaceutical Plant Occupational Health Clinic, 20XX–20XX

- Oversaw daily operations alongside a team of nurses and healthcare professionals in delivering comprehensive occupational health services.
- Developed and implemented employee wellness and safety programs, resulting in a 5% decrease in work-related injuries over 5 years.
- Conducted ergonomic assessments and provided tailored recommendations to improve workplace safety, seeing an average of 11 scheduled employees per day.

### Occupational Health Nurse

Acute Care Hospital Occupational Health Clinic, 20XX–20XX

- Administered and coordinated employee health programs, managed work-related injuries, and facilitated return-to-work programs.
- Provided health education and training sessions for employees on injury prevention and health promotion initiatives.
- Managed and provided employee vaccine schedules, routine drug testing, and focused assessments.

### Staff Nurse

Acute Care Hospital Unit 4B, Night Shift, 20XX–20XX

- Delivered direct patient care, administering medications, monitoring vital signs, and collaborating with multidisciplinary teams for 4–6 patients per shift.
- Acquired solid skills in acute care, time management, and critical thinking.
