

Urgent Care Nurse

Looking to grow your nursing career? We're looking to hire an experienced urgent care nurse to work in our *[Facility Name]* Community Care Clinic. Our multidisciplinary team provides care to pediatric and adult patients suffering from minor ailments and injuries. Qualified applicants will have at least two years of experience in patient transport, triage, emergency, or community health nursing.

We'll guide you through our employee benefits, compensation, and flexible scheduling practices, and highlight the skills and qualifications necessary for the job. Think you have what it takes? We'd love to see your application — click the link below to get started.

Benefits

- Competitive pay
- Health, dental, and vision benefits
- FSA/HSA options
- 401(k) matching
- Free continuing education (CE) courses
- Subsidized public transportation
- Tuition reimbursement

Urgent Care Nurse Duties and Responsibilities

- Performing physical assessments, taking vital signs, and documenting findings in the electronic health record (EHR)
- Collecting a thorough medical history from patients and family members upon admission
- Inserting intravenous catheters and collecting phlebotomy samples
- Assisting with emergency procedures, providing medications, and initiating intravenous fluid replacement
- Interpreting laboratory results and relaying important findings to other members of the multidisciplinary team
- Reviewing discharge instructions and providing patients with information regarding their next appointment or procedure
- Collaborating with other healthcare providers to develop treatment plans and establish goals of care

Compensation and Schedule

- Starting salary of \$95,000, with adjustments subject to education level and relevant leadership experience
- Full-time employment, working Monday through Friday for 8-hour shifts (8a-4p)
- Weekend day/night on-call shifts required (two shifts per month required, with available opportunities for more at the employee's request)
- Overtime, holiday, on-call, and incentive pay available
- Cross-training available for the emergency department and patient transportation team
- Bi-weekly pay periods

Urgent Care Nurse Qualifications and Skills

Required Qualifications:

- RN license (BSN candidates favored)
- BLS, ACLS, and PALS certified
- 2 years of experience working in an urgent care or emergency nurse role
- Experience documenting EHR data
- Excellent interpersonal communication skills
- Ability to efficiently manage time and develop a daily schedule to meet patient demands

Preferred Qualifications:

- Ambulatory Care Nursing Certification (AMB-BC)
- Previous experience in a unit leadership or charge-nurse role
- History of working with pediatric patients
- Bilingual in English and Spanish
