INTELYCARE INTELYPRO (PER DIEM) HANDBOOK

II. Equal Employment Practices

A. Equal Employment Opportunity

The Company is committed to Equal Employment Opportunity (“EEO”) and compliance with all applicable laws prohibiting workplace discrimination, harassment, and retaliation. The Company strictly prohibits all discrimination on the basis of race, ancestry, color, age, national origin, ethnicity, religious creed or belief, physical or mental disability, marital or familial status, legally protected medical condition, genetic information, military or veteran status, sex (including pregnancy, childbirth, breastfeeding, or related medical condition, and reproductive choices), gender (including gender identity and gender expression), sexual orientation, citizenship status, protected activity (such as opposition to or reporting of prohibited discrimination or harassment), and any other status or classification protected by applicable law.

The Company’s commitment to EEO applies to IntelyPros and to applicants. This policy applies to all areas of employment actions, including but not limited to advertising, recruiting, hiring, training, evaluation, promotion, transfer, work assignments, accommodation requests, leave requests, compensation, benefits, disciplinary actions, layoffs, discharges, terminations, participation in company activities, programs, or events, or any other terms, conditions, or privileges of employment.

Individuals with questions regarding this policy or who believe in good faith that they have been subjected to, witnessed, or otherwise learned of conduct prohibited by this policy by anyone, including Contact Center, coworkers, suppliers, vendors, contingent workers, or customers, should immediately follow the Complaint Procedure outlined in this Handbook’s Harassment, Discrimination, and Retaliation Prevention policy. Contact Center must report violations of this policy to People and Culture as soon as they become aware of them.

B. Diversity Equity

The Company is committed to fostering, cultivating, and preserving a culture of diversity, equity, and inclusion. The collective sum of individual backgrounds, life experiences, and capabilities that our IntelyPros bring to their work affirms this culture. The Company embraces the differences that make each of us a unique contributor to the organization – our race, age, ancestry, ethnicity, nationality or national origin, gender, gender identity or expression, sexual orientation, language, family or marital status, physical attributes and abilities, religion or belief, social or economic class, education, work and behavioral styles, political affiliation, military service, and other characteristics. We value the diverse perspectives, experiences, and approaches that make us a stronger, smarter, and more informed Company.

C. Harassment, Discrimination, and Retaliation Prevention

Consistent with applicable law, the Company is committed to maintaining a workplace (whether physical or remote) free from any form of unlawful discrimination, harassment, or retaliation on the basis of any protected category, including race, ancestry, color, age, national origin, ethnicity, religious creed or belief, physical or mental disability, marital or familial status, legally protected medical condition, genetic information, military or veteran status, sex (including pregnancy, childbirth, breastfeeding, or related medical condition, and reproductive choices), gender (including gender identity and gender expression), sexual orientation,

citizenship status, protected activity (such as opposition to or reporting of prohibited discrimination or harassment), or any other status or classification protected by applicable law ("Protected Characteristics"). The Company will not tolerate unlawful discrimination or harassment of any kind by or of any IntelyPros or applicants for employment, whether it occurs on Company premises or not.

"Harassment" is defined as verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of the individual's Protected Characteristic(s), and that:

- Has the purpose or effect of creating an intimidating, hostile, or offensive working environment.
- Has the purpose or effect of unreasonably interfering with an individual's work performance.
- Otherwise adversely affects an individual's employment opportunities.

Examples of harassing conduct can include, but are not limited to, the following:

1. Use of epithets, slurs, negative stereotyping, or threatening, intimidating, violent, or hostile acts that relate to Protected Characteristic(s).
2. Written or graphic material that denigrates or shows hostility, hatred, or aversion toward an individual or group because of Protected Characteristic(s), (including, for example, in email, social media platforms, and text messages).
3. Verbal or nonverbal innuendoes that relate to or reflect negatively upon someone because of their Protected Characteristic(s).

Similarly, sexual harassment involves:

1. Making as a condition of employment unwelcome sexual advances, requests for sexual favors, or other offensive verbal or physical conduct directed toward an individual because of their sex.
2. Making submission to or rejection of such conduct the basis for employment decisions or job benefits.
3. Creating an intimidating, offensive, or hostile work environment by such conduct.

Conduct which could rise to the level of sexual harassment can include, but is not limited to:

1. Verbal: sexual innuendo, suggestive comments, insults, threats, jokes about gender-specific traits, or sexual propositions.
2. Nonverbal: making suggestive or insulting noises, leering, whistling, or making obscene gestures.
3. Physical: touching, pinching, brushing the body, coercing sexual intercourse, or assault.

Such forms of harassment or retaliation, whether during working time or not, violate this policy and also may constitute unlawful discrimination under various federal, state, and/or local laws, which the Company will not

tolerate. Any IntelyPro (per diem) who is found to have engaged in such conduct will be subject to disciplinary action up to and including employment termination.

1. Complaint Procedure

IntelyPros who feel they have suffered any form of unlawful discrimination, harassment, or retaliation should report the alleged conduct to the Contact Center, any other member of management, or to People and Culture immediately. If the complaint concerns the Contact Center, the IntelyPro (per diem) should make the report to People and Culture. Any IntelyPro (per diem) who observes conduct that they believe to be unlawfully harassing, retaliatory, or discriminatory under this policy must report such conduct as outlined above.

Upon receipt of a complaint, the Company will conduct a prompt and thorough investigation. Management will conduct the investigation in such a way as to keep the report confidential to the extent practicable under the circumstances without impeding the investigation. Depending on the circumstances, witnesses may be asked to keep the matter under investigation confidential while the investigation is ongoing. All IntelyPros are expected to cooperate with investigations of complaints. The Company will notify the complaining party, and, as appropriate, the subject of the complaint, of the outcome of the investigation. Any person who is found to have violated this policy, or whose conduct would violate this policy if allowed to continue, will be subject to disciplinary action up to and including employment termination.

2. Retaliation Prohibited

The Company prohibits retaliation or unlawful discrimination against an IntelyPro (per diem) for reporting or complaining about discrimination or harassment or for participating in an investigation of such a complaint or report. Such misconduct will result in disciplinary action up to and including employment termination. Any IntelyPro (per diem) who knowingly makes a false report of harassment or discrimination or knowingly provides false information in the course of an investigation will be subject to disciplinary action up to and including employment termination.

The Company trusts that all IntelyPros will act in a responsible and professional manner to establish a working environment free of discrimination, harassment, and retaliation.

D. Accommodating Employees with Disabilities

The Company complies with the Americans with Disabilities Act (ADA) and applicable state and local laws in ensuring equal opportunity and employment for qualified individuals with disabilities.

Qualified individuals needing a reasonable accommodation to perform the essential functions of a job should contact People and Culture. A Contact Center who receives a request for an accommodation is required to promptly notify People and Culture of the request. On receipt of an accommodation request, the Company will engage in an interactive process with the individual to discuss possible reasonable accommodations. The requestor is expected to participate in the interactive process. IntelyPros may be required to provide medical support for the accommodation, as reasonably necessary. The Company will reasonably accommodate qualified individuals with a disability so that they can perform the essential functions of a job unless (a) doing so causes a direct threat to these individuals or others which cannot be eliminated by reasonable accommodation or (b) the accommodation creates an undue hardship, in accordance with applicable law. All employment decisions are based on the merits of the situation in accordance with applicable job criteria, not an individual's disability.

E. Accommodations Due to Pregnancy, Childbirth, and Related Conditions

The Company provides accommodations to employees when needed due to limitations related to pregnancy, childbirth, or related medical conditions, provided such accommodations are reasonable and do not pose an undue hardship.

An IntelyPro (per diem) needing reasonable accommodation should inform the Contact Center or People and Culture. On receipt of an accommodation request, the Company will engage in an interactive process with the IntelyPro (per diem) to determine possible reasonable accommodation options consistent with the Pregnant Workers Fairness Act, ADA, and/or state law. People and Culture will facilitate the process, and the IntelyPro (per diem) is expected to participate.

IntelyPros may be required to provide supporting documentation for the accommodation, as reasonably necessary. However, the Company will not require medical documentation for the following accommodation requests:

- Permission to carry water and drink in the work area
- Additional restroom breaks
- Permission to sit in jobs that require standing, and stand in jobs that require sitting
- Breaks as needed to eat and drink
- Accommodations related to lactation

Reasonable accommodations that do not result in an undue hardship on the operation of the Company or a direct threat in accordance with applicable law will be considered for all employees with limitations due to pregnancy, childbirth, or related medical conditions when those limitations affect their ability to perform the essential functions of their job. All employment decisions are based on the merits of the situation in accordance with applicable job criteria.

F. Religious Accommodations

The Company complies with Title VII of the Civil Rights Act of 1964 and applicable state and local laws in prohibiting discrimination based on an IntelyPro (per diem)'s religious beliefs. The Company will provide reasonable accommodations for IntelyPros who request an accommodation based on a sincerely held religious belief unless an accommodation would create an undue hardship or a direct threat in accordance with applicable law. IntelyPros should contact People and Culture to request an accommodation based on sincerely held religious beliefs. The Company will engage in an interactive process with the individual to discuss possible reasonable accommodations. The requestor is expected to participate in the interactive process. IntelyPros may be required to provide supporting documentation for the accommodation on a case-by-case basis, as reasonably necessary. All employment decisions are based on the merits of the situation in accordance with applicable job criteria.

G. Immigration Law Compliance

The Company is committed to compliance with federal and applicable state immigration laws, which require that all individuals complete an employment verification procedure before being permitted to work. As a condition of employment, every individual must complete the Employment Eligibility Verification Form I-9 and present documentation establishing the IntelyPro (per diem)'s identity and legal authorization to work in the

United States no later than three business days after the IntelyPro (per diem) is hired. If an IntelyPro (per diem)'s authorization to work in the United States will expire while still employed by the Company, it is the IntelyPro (per diem)'s responsibility to obtain subsequent work authorization and to complete a new I-9 form on or before the expiration of the original work authorization. All fees and costs associated with obtaining such work authorization generally will be the employee's responsibility.

IntelyPros should contact People and Culture with any questions about this policy. IntelyPros may raise questions or complaints about immigration law compliance without fear of retaliation.

III. General

A. Open Door

The Company believes that all IntelyPros should be able to discuss situations or problems that may impact their work. To accomplish that goal, the Company subscribes to the idea that any IntelyPro (per diem) should be able to walk into the office of any member of management, and discuss an issue without fear of retribution. Where appropriate, that individual will work with the IntelyPro (per diem) to resolve the issue or make sure the IntelyPro (per diem) is connected with someone who can help.

This open door policy should not be construed as preventing, limiting, or delaying the Company from taking disciplinary action up to and including employment termination, in circumstances where the Company deems discipline is appropriate.

Complaint Resolution Procedure:

If an IntelyPro (per diem) has a work-related problem or concern, the IntelyPro (per diem) is encouraged to first try to seek informal resolution with the Contact Center. The Company believes that most issues can be addressed informally if approached promptly and objectively.

If an IntelyPro (per diem) would rather not take a particular issue to the Contact Center, or the IntelyPro (per diem) and Contact Center have not been able to work things out, an IntelyPro (per diem) may bring their concern to People and Culture. Although IntelyPros may not be 100% satisfied with each particular outcome, IntelyPros will have the opportunity to express their views and to have their views carefully and objectively considered. An IntelyPro (per diem)'s good-faith use of the Company's problem resolution methods will not negatively affect an IntelyPro (per diem)'s standing with the Company.

IntelyPros with complaints relating to unlawful discrimination, harassment, and/or retaliation should follow the procedures set forth in the Company's separate Harassment, Discrimination, and Retaliation Prevention policy.

E. ATTENDANCE

As an IntelyPro, you perform an important function at the client site. Our facilities count on every IntelyPro to be punctual in reporting to the shift you have selected and accepted. It is expected you will report to work and check in 5 (five) minutes before the start time of the shift and be ready to provide the best possible care.

Unnecessary absences, no call no show, tardiness and leaving shifts early, are expensive, disruptive, and place an unfair burden on other staff and patient care.

Excessive absenteeism, no call no shows, last minute releases, excessive tardiness and/or early departures will result in disciplinary action, up to and including termination.

Reminders regarding punctuality and attendance will be automatically posted via the App when there are infractions; this will serve as a warning for immediate required improvement.

Releasing a shift

If you are unable to work the shift you selected, you are required to notify IntelyCare as soon as possible by calling IntelyCare Contact Center at 617-971-8344 or 844-683-5922 or releasing the shift in your app.

Failure to notify with advance notice will impact your quality score and will result in further disciplinary action up to and including dismissal.

No calls and no shows

Failure to notify or report to work will not be tolerated.

To avoid a no call no show, you should notify IntelyCare Contact Center at least two (2) hours prior to the start of your shift at 617-971-8344 or 844-683-5922.

Tardiness

Tardiness is arriving at the shift later than the established start time. IntelyPros will receive reminders via the App when there is an instance of tardiness. **If you arrive 15 minutes late for your shift, the facility reserves the right to cancel your shift and you will not be compensated as you were not on time.**

As a reminder, you should arrive five minutes prior to the start of the shift unless the facility has requested an earlier start time for a first shift onboarding.

If you are not able to report on time, please notify IntelyCare Contact Center at 617-971-8344 or 844-683-5922.

F. IntelyPRO Quality Score

The IntelyPro Quality Score Program is a tool that allows IntelyPros to track real-time performance in the App. IntelyPros with high quality scores get preferred access to shifts, while IntelyPros with low quality scores, will receive warnings and potential further disciplinary action up to and including dismissal.

Upon completion of three (3) shifts, a Quality Score is established. The Quality Score ranges from 0-1000, with 1000 being the highest or best score.

Scores between 950 - 1000 are "Premier"; 850-949 are considered "Excellent"; 750-849 are "Good"; 650-749 are "Average"; and <649 "At Risk". Premier level gives the earliest access to shifts.

Quality scores are very important to your success, IntelyCare and our clients. You can increase your Quality Score by completing shifts on-time and ensuring the best attendance and commitment.

Attendance is critically important to your Quality Score; scores below 650 will result in a performance warning and further disciplinary action up to and including dismissal. Within the APP, you will be notified of the impact of shift releases to your Quality Score.

As a reminder, the highest level of performance results in gaining access to a wider variety of shifts.

G. Quality of Care

IntelyCare strives to provide the highest quality of care. As such, our clients / facilities will rate IP's performance following completion of each shift.

The nursing leadership team at the facility. provides direct management and feedback regarding performance of our IntelyPros, utilizing Star Levels, noted below:

Star ratings are determined by the facility and a score of 3 or above is required. These ratings are reflected in the annual review process.

H. PERFORMANCE EVALUATIONS & MANAGEMENT

IntelyCare demands the highest standards of employees' performance so that it can provide the highest quality of care for our client's patients or residents. As such, IntelyPros are expected to complete their work professionally and consistent with these high expectations.

As the Company's managers are not onsite, performance is often measured by our clients and the client's management staff (Director of Nursing, Supervisors, etc.) If an employee's performance does not meet the standards set by our clients, our clients will inform us, and the Quality Assurance team will address the deficiencies.

Performance reviews are generally provided on an annual basis and will include how well you complete job responsibilities including your clinical competency, professionalism and reliability. Patient care evaluated using the star ratings, combined with professional conduct, time and attendance, dress code, and accurate

documentation are a few of the areas taken into consideration for the evaluation process, along with facility feedback.

Annual skills checklists which apply to specialty areas of work are completed by every IntelyPro along with competency assessments.

When training needs are identified, an opportunity to complete the training will be provided.

It is the responsibility of the IntelyPro to ensure that all required licensures and certifications remain active and in good standing.

As warranted, disciplinary action may include one or more of the following, in any order, at the Company's sole discretion: verbal warning, written warning, re-education, or termination of employment.

Please note that the Company is not bound to follow any specific step or procedure prior to termination, and it may elect to immediately terminate employment.

CLIENT FEEDBACK:

In addition to periodic reviews, when received throughout the year, constructive feedback from our clients regarding clinical and/or professional performance is addressed with our IntelyPros immediately.

Our clients can elect to denote a "do not return" for any IntelyPro that has not satisfactorily met the performance expectations of the facility; when a 'do not return' is issued, the IntelyPro will no longer see shifts from that facility and may be notified via the App.

IntelyPro may not reach out to the facility regarding any 'do not return' designation; this is prohibited. Instead, questions regarding a "do not return" can be directed to IntelyCare Contact Center at 617-971-8344 or 844-683-5922. The Quality Assurance Team will respond to such inquiries.

I. PERSONNEL FILES

The Company maintains a file on each IntelyPro and these documents are the property of IntelyCare; access to the information is restricted, except as required by state and federal law and for personnel of IntelyCare who have a legitimate reason to access the file. Consistent with applicable law, employees may review and/or receive a copy of their own file and make such request via the Operations team, via email to: CareTeam@IntelyCare.com

J. MAINTAINING ACCURATE PERSONAL INFORMATION & LICENSURES

IntelyPros are responsible to keep their personal information up to date, via the App. Unreported changes to personal data and residential location can affect tax withholdings, and the ability to reach an IntelyPro if needed.

IntelyPros should inform IntelyCare Quality Assurance Team of any specialized training or skills acquired during employment and this can also be done on the App.

It is the responsibility of the IntelyPro to ensure that all required licensures and certifications remain active and in good standing.

K. LEAVING THE COMPANY & References

While we hope that employment with IntelyCare will be a mutually beneficial and rewarding experience, we realize that you may elect to resign your employment.

A resignation or request to delete your account can be directed to the IntelyCare Contact Center at 617-971-8344 or 844-683-5922 or via email: CareTeam@Intelycare.com. When the Company is notified of a voluntary resignation, final wages will be paid in accordance with state law.

REFERENCES: It is the Company's policy to limit employment references to verification of the dates of an employee's employment and position title with the Company.

L. DE-ACTIVATION OF ACCOUNT

If you have not worked a shift within a one-year period, this will be considered a voluntarily resignation and your IntelyPro account will be terminated. Periodically, IntelyPros will be notified of their account dormancy and upcoming termination via the App. This can be prevented by working one shift per year.

SECTION 4: WORK HOURS & COMPENSATION

M. WORK SCHEDULES

Our aspiration is to give nursing professionals the flexibility to pick up shifts when and where they want. As such, IntelyCare App provides shifts at client sites that enable you to build your own work schedule.

Please note that on occasion, Clients may change the offering of their shifts and we will do our best to provide timely notification of shift cancellations when received. (See cancellation of shift for more information)

While there is flexibility to select shifts, please remember that Clients determine actual onsite assignment based on the needs of the facility at the time of your shift; you are expected to accept that assignment and be qualified to do so.

As final assignments are determined by the facility, on occasion, per diem staff will be reassigned to a unit or floor (asked to float) based on staffing needs. These assignments should match the level (CNA, LPN, etc.) and skillset required.

IntelyPros **should not** be placed in an assignment for which they have not been trained or found competent in that specialized area, such as tracheostomy care, dementia training, etc. The training records of the per diem staff member should align to the areas of competency and experience. **If you have been placed in an assignment that you have not been trained, immediately call the IntelyCare Contact Center at 617-971-8344 or 844-683-5922 and advise the RN Supervisor or Director of Nursing at the facility.**

N. MEAL & REST BREAKS

Meal and/or rest periods are provided in accordance with applicable law and in coordination with the facility coverage. Federal law does not require meal periods in the following states: AZ, FL, GA, IN, KS, MD, MI, MO, MS, NC, NJ, OH, PA, SC, TX, UT, VA and WI. Please note IntelyCare may not be actively in business in all these states.

In all other states, IntelyPros are required to take thirty (30) minutes unpaid meal break. This meal break is aimed to be uninterrupted by work and scheduled with the facility in accordance with patient needs and safety. Notwithstanding the foregoing, if the facility requests IntelyPros to work through the meal break due to patient care and safety, the employee agrees to secure the approval of the supervisor / charge nurse and arrange to take a break as soon as possible.

You must record your time in and out for meal periods. Further, if you work through a break, you MUST report such time as worked time.

BREAKS FOR NURSING MOTHERS

Nursing Mothers should coordinate their needs with the facility for access to private space and time to handle lactation needs. Ideally space is provided within the facility, avoiding the need for an IntelyPro to leave the facility for such needs.

O. OVERTIME

IntelyPros are non-exempt, hourly paid employees and covered by the federal Fair Labor Standards Act (FLSA) eligible to receive overtime pay in accordance with the FLSA and state law. In most states, overtime is paid for hours worked in excess of 40 in a workweek at a rate not less than time and one-half the regular rates of pay, unless otherwise stipulated by applicable state or local law.

P. SHOW-UP PAY

If you show up to a shift at the facility and learn that the facility is cancelling your assignment (and it was not cancelled via the App or you were not contacted in advance by us), our policy is to pay you for your time in an amount equal to the value of **three hours** at the applicable shift rate, unless state law requires a different formula.

Please note that if you are late reporting to the shift, the facility reserves the right to cancel your shift as a result of an attendance issue / tardiness; in this instance, it does not qualify for show-up pay.

If you voluntarily leave a shift, prior to three hours, you will be paid for hours worked and will not qualify for show-up pay.

Q. CANCELLATION PAY

If a facility cancels your assignment and does so with notice of two hours or less prior to the shift start time, our policy is to pay you **three hours** at the applicable shift rate, unless state law requires a different formula.

R. RECORDING HOURS WORKED

The accurate recording of hours worked is your responsibility. It is critical that you accurately report all time you work. Willful, deliberate and / or repetitive failure to accurately record time and / or failure to secure facility staff approvals, will result in corrective action up to and including termination.

Please note: **our App will capture your GPS coordinates** upon check-in and check-out of your shift. We retain these GPS coordinates as part of our billing process. Therefore, you are required to use the "Check-In" and "Check-Out" functions in the App for each assignment; payment for your work depends on you accurately recording

your time. The process for check-in and check-out at most facilities will follow these guidelines. On occasion, the process may differ and you will be informed at the facility.

- Upon arrival, you must go to the nursing station at the facility and let them know your full name, your title (CNA/LPN/RN), and that you are arriving from IntelyCare.
- Your assignment begins when you check in. If for any reason you cannot sign in, you immediately call the IntelyCare Contact Center at 617-971-8344 or 844-683-5922
- You must have the charge nurse, or their designee, sign you in via your mobile app as soon as you arrive or use the IntelyCare tablet at the facility.
- If the facility requires utilization of their timeclock, you must check in via their timeclock as well.

If you must stay late (beyond your agreed upon scheduled time) for your assignment, you must have the facility charge nurse or supervisor sign / approve your additional time. Our clients expect nurses to leave on time, however, we know there may be reasons you are leaving late that are out of your control and agreed to by the client. Any additional time worked beyond your scheduled shift must be recorded accurately.

As noted, you must record your time in and out for meal periods as well as the beginning and ending time of any split shift or departure from work for personal reasons.

S. ACCURATE TIME KEEPING

Accurate timekeeping and records are **your** responsibility; your time worked including accurate check-in and check-out time is required and must be confirmed by an authorized person at the facility, usually the Nurse Supervisor or whoever is in charge on the floor.

In the case that the facility does not have an authorized person to confirm your time worked or you cannot identify who that person is, **you are required to immediately contact the IntelyCare Contact Center at: 617-971-8344 or 844-683-5922 before leaving the facility.**

Falsifying time reporting, which includes inaccurate check in or check out times, meal breaks, false staff approvals and failure to physically report to work on site, will result in disciplinary action, up to and including termination. Accurate timekeeping is required, and falsification of time reporting and approvals are serious infractions.

WORKING OFF THE CLOCK IS PROHIBITED

As IntelyPros are non-exempt, hourly paid, you may never work off the clock. "Off-the-clock" work means that time is spent by an employee performing work that is not

included or reported as time worked; this is strictly prohibited. All time spent working must be reported, and failure to do so will result in disciplinary action, up to and including termination of employment.

REVISING TIME:

If you need to revise your time worked, this **can only be done while you are physically present in the facility** and must be approved by an authorized person at the facility as well as brought to the attention of IntelyCare, by calling IntelyCare Contact Center at 617-971-8344 or 844-683-5922.

In this instance of revising time, if the facility does not have an authorized person to confirm your time worked or you cannot identify who that person is, you **are required to immediately contact the Contact Center at: 617-971-8344 or 844-683-5922** before leaving the facility.

T. Payroll Period

The weekly payroll period runs from Sunday at 12:00 am to Saturday, up to 11:59 p.m.; you will be paid on a weekly basis. Paydays are on the Friday following the week that you worked. If a federal holiday is on a Friday, you will be paid the day prior.

U. DAILYPAY

IntelyCare has partnered with DailyPay so you can get your pay any time before payday. It's free to create an account and your available balance will increase each time you work. Whatever monies you do not transfer will be automatically sent to you for free on your normal payday. With DailyPay, you can access earned wages in real time.

Unlock instant transfers from your DailyPay Balance when you set your direct deposit to the Friday card. Enrolling is easy and doesn't require a pre-existing bank account. Download through iOS mobile and the Android mobile app, or go to www.DailyPay.com

V. Direct Deposit

Once you accept your first shift, you can log into ADP at www.myadp.com or through the IntelyCare App to set up direct deposit.

W. Pay Statements

It is the policy of the Company to compensate employees in compliance with the federal Fair Labor Standards Act (FLSA) and applicable state law. Your pay statement will include itemized deductions made from gross earnings. The Company is required by law to make deductions for Social Security, federal income tax and any other appropriate taxes. These required deductions include any court-ordered garnishments. **It is up to you to ensure that home address is current and accurate.**

Payroll statements also itemize any voluntary deductions such as an employee's portion of benefits and/or voluntary contributions to the 401(k) plan, to the extent applicable. If applicable, payroll statements will also differentiate between regular, overtime and premium pay received.

Employees who believe there is an error in their pay, including regarding overtime, deductions from your salary, or any other issues regarding your pay, should contact the Contact Center immediately, **by sending an email to:** Careteam@Intelycare.com so that the Company can investigate and resolve the matter quickly. Every report will be researched and if an error is found, corrective action will be taken, including but not limited to full reimbursement of inappropriately withheld amounts.

It is against Company policy to retaliate against any employee who makes a complaint in good faith pursuant to this policy.

X. AUTHORIZATION TO WORK IN THE U.S.

Only individuals who are lawfully authorized to work in the United States are eligible for employment with the Company. The Immigration Reform and Control Act of 1986 requires employers to verify the employment authorization and identity of all employees at the time of hire. A new employee must complete Section 1 of a Form I-9 no later than close of business on his/her first day of work and must provide documentation of identity and employment authorization sufficient to complete Section 2 of the Form I-9 to the Company within his or her first three days of work. Failure to provide such documentation by the close of business on the third day will result in termination. Under no circumstances will the Company continue to employ an employee whom it knows lacks authorization to work in the United States.

The company does not offer visa sponsorship for employment purposes.

SECTION 6: TIME OFF

AA. PAID SICK LEAVE

Paid sick leave benefits provide **active employees** with pay for time off from work because of illness and depending upon the state and local laws that govern leave from work and company policies, employees may be eligible for paid sick days for themselves and for time off when a family member is ill, or other reasons as provided by applicable law. Employees may need to work a minimum number of hours or earn a certain amount to receive paid sick leave. State or local guidance will prevail regarding eligibility.

Sick time hourly rates are determined based on the average rate of pay for the IntelyPro during a previous time period that is defined by each state, unless otherwise defined by applicable law.

Please note you are not required to accept and cancel a shift in order to receive your accrued sick time. However, if you do request sick time for a shift you need to cancel, your sick pay is calculated as your average rate of pay; it is NOT paid at the rate of the shift that you are unable to work.

To utilize paid sick leave, contact the IntelyCare Contact Center at 617-971-8344, or 844-683-5922 or via email to: CareTeam@IntelyCare.com.

The company reserves the right to require documentation from a health care professional to verify the need for sick leave and/or authorizing the employee to return to work, as permitted by applicable law.

JURY DUTY

The Company realizes that it is the obligation of all U.S. citizens to serve on a jury when summoned to do so. All employees are allowed time off to perform such civic service as required by applicable law. Employees are expected, to provide the Company with proper notice of their request to perform jury duty and should contact the IntelyCare Contact Center at 617-971-8344 or 844-683-5922 or send an email to CareTeam@IntelyCare.com to advise of jury duty and provide a proof of service.

Employees on jury duty leave are paid for time spent on jury duty service in accordance with applicable state law.

MILITARY LEAVE

Employer/employee rights and obligations relating to military service are governed by the federal law known as the Uniformed Services Employment and Reemployment Rights Act of 1994 ("USERRA") and state law where applicable. This policy is not intended as a comprehensive statement of all aspects of military leave. Employees who are called into active military service or who enlist in the uniformed services are eligible to receive a military leave of absence in accordance with applicable federal and state laws. To be eligible for military leave, employees must provide management with advance notice of their service obligations, unless they are prevented from providing such notice due to military necessity or it is otherwise impossible or unreasonable to provide such notice. In such instances, an employee should provide notice as far in advance as is reasonable under the circumstances.

Employees who are required to attend yearly Reserves or National Guard duty can apply for a temporary military leave of absence not to exceed the number of days allowed by law (including travel). Such employees should give management as much advance notice of their need for military leave as possible so that we can maintain proper coverage.

Employees whose absence does not exceed applicable statutory limitations will retain reemployment rights and accrue seniority and benefits in accordance with applicable federal and state laws. Reemployment is subject to re-credentialing.

Please contact the IntelyCare Contact Center at 617-971-8344 or 844-683-5922 or send an email to CareTeam@IntelyCare.com.

FAMILY AND MEDICAL LEAVE ACT (FMLA)

Eligibility Requirements

Employees are eligible for FMLA if:

- At least fifty (50) or more employees are employed within a 75-mile radius of the employee's work site;
- The employee has been employed for at least one year; and
- The employee has worked at least 1,250 hours within the previous twelve (12) months.

Basic Leave Entitlement

The FMLA requires covered employers to provide up to twelve (12) weeks of unpaid, job-protected leave in a 12-month period to eligible employees for certain family and medical reasons. The 12-month period is determined on a “rolling” 12-month period dating back from the time the employee uses any FMLA leave. Leave may be taken for any single reason or for a combination, of the following reasons:

- To care for the employee’s child after birth, or placement for adoption or foster care;
- To care for the employee’s spouse, son or daughter, or parent (but not in-law) who has a serious health condition; and/or
- For the employee’s own serious health condition (including any period of incapacity due to pregnancy, prenatal medical care, or childbirth) that makes the employee unable to perform one or more of the essential functions of the employee’s job.
- Leave to care for the employee’s child after birth, or placement for adoption or foster care must be taken within one (1) year of the child’s birth or placement.
- A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee’s job or prevents the qualified family member from participating in school or other daily activities. Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than three (3) consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Military Family Leave

Eligible employees with a spouse, son, daughter, or parent (but not in-law) on covered active duty or called to covered active-duty status (or has been notified of an impending call or order to covered active duty) in the Reserve component of the Armed Forces for deployment to a foreign country in support of a contingency operation or Regular Armed Forces for deployment to a foreign country may use their 12-week leave entitlement to address certain qualifying exigencies (“Qualifying Exigency Leave”). Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, caring for the parents of the

military member on covered active duty and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement which permits eligible employees (spouse, son, daughter, parent (but not in-law) or next of kin of a covered service member) to take up to twenty-six (26) weeks of leave to care for a covered service member with a serious injury or illness during a single 12-month period (one time basis only) ("Military Caregiver Leave"). A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is on the temporary retired list, for a serious injury or illness. These individuals are referred to in this policy as "current members of the Armed Forces." Covered service members also includes a veteran who is discharged or released from military services under condition other than dishonorable at any time during the five-year period preceding the date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation or therapy for a serious injury or illness. These individuals are referred to in this policy as "covered veterans."

The FMLA definitions of a "serious injury or illness" for current Armed Forces members and covered veterans are distinct from the FMLA definition of "serious health condition" applicable to FMLA leave to care for a covered family member.

The maximum amount of leave for any FMLA-qualifying reason that may be taken in any 12-month period is 26 weeks, provided that no more than 12 weeks of leave may be taken for any FMLA-qualifying reason other than Military Caregiver Leave.

Job Benefits and Protection

During leave, if applicable health benefits will be maintained.

Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms. An employee who has complied with his or her obligations under this policy will be reinstated to the position he or she held prior to leave or to an equivalent position, unless business conditions resulted in the elimination of the employee's former position during the leave or the employee would not otherwise have continued to be employed had he or she continued in active employment. An employee who has taken a leave in excess of five days for his or her own serious health condition must submit a medical certification from his or her health care provider verifying that the employee is able to return to work and perform his or her regular job duties. Reinstatement may be delayed until a satisfactory medical certification has been provided. If the employee does not provide either a fitness-for-duty certification or a new medical certification for a serious health condition at the time FMLA leave for the employee's own serious health condition is concluded, the employee's employment may be terminated.

The use of FMLA leave cannot result in the loss of any employment benefits that accrued prior to the start of an employee's leave.

Use of Leave

Upon receipt of medical certification of the medical need for leave on an intermittent or reduced schedule basis, the Company will grant such leave for purposes of the employee's own serious health condition or to care for a parent, child or spouse with a serious health condition, or for Military Caregiver Leave. Leave may also be taken on an intermittent or reduced schedule basis when necessary for Qualifying Exigency Leave.

As IntelyPros accept shifts based on personal preference, intermittent leaves and schedules are generally up to the IntelyPro's discretion and needs.

For medical leaves, the Company may require periodic updates or release to return to work.

Employee Responsibilities

Employees should contact the IntelyCare Contact Center at 617-971-8344 or 844-683-5922 or send an email to CareTeam@IntelyCare.com to provide thirty (30) days' advance notice of the need to take FMLA leave, when the need is foreseeable, excluding Qualifying Exigency Leave.

For Qualifying Exigency Leave, or when the need for other leaves is not foreseeable thirty (30) days in advance, the Company requires employees to notify as soon as practicable of the need for FMLA leave, and to comply with the Company's normal notification of release of shift procedures. Early notification will ensure the least disruption possible.

Employees must provide sufficient information for the Company to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Information may include details regarding inability to perform job functions; the family member information regarding a need for care and inability to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the Company if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees may be required to provide medical certification and periodic recertification supporting the need for leave.

A member of the People & Culture Team will respond to your inquiry.

Employer Responsibilities

As a covered employer, IntelyCare will inform employees requesting leave whether they are eligible for FMLA. If approved, notice will specify any additional information required as well as the employees' rights and responsibilities. If an FMLA leave is not approved, notification will be provided regarding the reason for ineligibility.

Covered employers must inform employees if leave is designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Rights under the Family and Medical Leave Act

The FMLA makes it unlawful for any employer to interfere with, restrain, or deny the exercise of any right provided under FMLA; or to discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to the FMLA. An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer. FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement which provides greater family or medical leave rights.

A member of the People & Culture Team will respond to your inquiry.

The policies and guidelines stated in this Family and Medical Leave Policy shall be subject to such other terms and conditions as are provided in the Family and Medical Leave Act of 1993 and applicable state leave laws.

STATE MEDICAL LEAVES

IntelyCare will provide medical leave pursuant to state and local laws. To request or utilize state medical leaves, employees should call the IntelyCare Contact Center at 617-971-8344 or 844-683-5922 or send an email to CareTeam@IntelyCare.com

A member of the People & Culture Team will respond to your inquiry.

SECTION 7: SAFETY, HEALTH & SECURITY

DRUG-FREE WORKPLACE

The Company is committed to providing a drug-free environment. Employees reporting for work under the influence of alcohol or illegal drugs present a safety hazard to themselves, other employees, patients, and the public. The use of alcohol and illegal drugs in the workplace or on Company business, whether on or off Company premises, can impair an employee's ability to do the job; can result in serious accidents; and can seriously impede business operations and is prohibited.

The unlawful or unauthorized use, abuse, theft, possession, transfer, sale, purchase, solicitation or distribution of controlled substances, drug paraphernalia, or alcohol by an individual anywhere on Company premises, while representing the Company, on Company business (whether or not on Company premises), while driving a Company vehicle or driving a personal vehicle for Company business is strictly prohibited.

Employees are also prohibited from reporting to work or working while they are using or under the influence of, alcohol or any drugs, including cannabis, as well as any controlled substances which may impact an employee's ability to perform the employee's job or otherwise pose safety concerns.

Violation of this policy may result in corrective action, up to and including termination.

This policy does not prohibit employees from the lawful possession and use of prescribed medications or medical cannabis when authorized under applicable state law. Employees have the responsibility, however, to consult with their doctors or other licensed medical practitioners about the effect of prescribed medications on their ability to perform their specific job duties in a safe manner, and employees should promptly disclose any work restrictions to the Contact Center; People and Culture will respond accordingly.

The Company does not unlawfully discriminate against employees or applicants on the basis of disability. Employees who seek a reasonable accommodation due to an

SMOKE & VAPE FREE WORKPLACE

Smoking, including use of e-cigarettes, vaping devices, and similar electronic devices, is prohibited at all times in the vast majority of our clients' facilities. Compliance with the facility policy is mandatory. Employees who violate this policy may be subject to disciplinary action up to and including termination.

WORKPLACE FREE OF VIOLENCE

We are strongly committed to providing a safe workplace.

Threats, threatening language or any other acts of aggression or violence made toward anyone will not be tolerated. For purposes of this policy, a threat includes any verbal or physical harassment or abuse, any attempt at intimidating or instilling fear in others, menacing gestures, flashing of weapons, stalking or any other hostile, aggressive, injurious, and/or destructive action undertaken for the purpose of domination or intimidation.

Weapons are prohibited in the workplace unless such prohibition is restricted by applicable law.

Employees should immediately report all potentially dangerous situations, including threats by co-workers, to any member of management at the facility and with a follow-up call to IntelyCare Contact Center at 617-971-8344 or 844-683-5922 or send an email to CareTeam@IntelyCare.com and a member of the People & Culture team will respond to the notification.

Reports may be maintained confidential to the extent maintaining confidentiality does not impede our ability to investigate and respond to the complaints. All reports will be promptly investigated. No employee will be subjected to retaliation, intimidation, or disciplinary action as a result of reporting in good faith under this policy.

If an investigation confirms that a violation of this policy has occurred, the Company will take swift and appropriate corrective action.

Employees threatened by an outside party should follow the steps detailed in this section and notify IntelyCare so that effective measures can be taken to protect everyone from the threat of a violent act by an employee or by anyone else.

Please note: as healthcare providers, it is important to recognize that care of patients with certain conditions may result in patient behaviors and comments that are unwanted and unwelcomed. IntelyPros should immediately notify the client and facility staff onsite of any instances where personal safety is of concern to seek appropriate assistance.

ACTIVE SHOOTER PROCEDURES:

All staff should follow and adhere to the client facility's active shooter and emergency response procedures.

As a general course of guidance, upon arrival at a facility for the first time, IntelyPros should familiarize themselves with the emergency exits and overall environment.

If any suspicious people or behavior is noticed, the IntelyPro should immediately notify the facility supervisor and security as well as contact the IntelyCare Contact Center at 617-971-8344 or 844-683-5922.

In the case that an Active Shooter is announced in the facility, the following responses may be beneficial for the safety of staff and patients:

- **Run, Hide, Fight:** Encourage evacuating the premises immediately if safe. If evacuation is not possible, find a secure location, lock doors, turn off lights, silence phones, and stay hidden. As a last resort, if confronted by the shooter, be prepared to defend yourself using any available means.
- **Call 911:** In the event of an active shooter incident, call 911 immediately and provide accurate information on the situation, location, and number of shooters.
- **Internal Communication:** Inquire with facility staff if there is a method for ongoing communication within the organization. This may include using text messaging, email, or PA systems to relay critical information.
- **Investigation:** Cooperate with law enforcement in the investigation and debriefing process.

Remember that the safety of all individuals is the top priority during an active shooter incident.

WORKPLACE THREATS

All employees are encouraged to be vigilant and have confidence to report any concern or threat without fear of retaliation. Potential threats may include verbal

threats, written threats, physical threats such as bombs or weapons or threatening behavior.

In the event of a suspected or confirmed terrorist or bomb event, employees should follow the established procedure of the site location which may include:

- Notify the facility manager or supervisor of the threat and concern
- Evacuate the area immediately if safe to do so
- Seek refuge in a secure location if evacuation is not feasible
- Contact emergency services (police, fire, medical) immediately.

As appropriate, cooperate with law enforcement and emergency services and provide available information about the situation at hand.

WORKERS COMPENSATION

IntelyPro employees are covered under the company's Workers' Compensation plan.

Workers' compensation is designed to provide necessary medical treatment, wage replacement benefits and support to employees who sustain work-related injuries or illnesses. Workers' compensation processes can vary in certain states that are monopolistic, such as Ohio, Wyoming, Washington, and North Dakota. In these states, the workers compensation coverage is administered and provided exclusively by the respective state's agencies and funds.

Regardless of the state or carrier coverage, if hurt at work, no matter how slightly, IntelyPros must submit a timely report of the injury or illness by following the processes noted below. If medical attention is required, seek such attention without delay.

Once a claim is established, a representative will be assigned to your claim.

Save any and all bills/receipts associated with the treatment of this injury, so that you can provide these in the future for reimbursement. Compensable wages are determined by workers compensation guidelines by state.

If you have had any restrictions or have lost consciousness, you must be cleared to return to work, or provide the necessary information to initiate the accommodation process. You must be cleared by a medical provider prior to returning to work

In an emergency, dial 9-1-1 and secure immediate care.

- Adhere to all professional codes of ethics and care
- Comply with all applicable federal, state, and local laws
- Follow our policies including our Code of Conduct and Dress Code

Under no circumstances, should facility staff or patients be photographed, videotaped, or recorded. Any infraction of this rule will result in immediate termination.

Failure to follow the guidelines regarding cell phone use will result in disciplinary action, up to and including termination.

Exceptions to this policy regarding the use of cell phones during a shift and caring for patients would be during a case of emergency to seek immediate required help or to alert others of a dangerous situation unfolding in the facility. Otherwise, personal phone use and calls are prohibited during work time.

- A. submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment;

Using the Company complaint procedure does not prohibit the Employee from filing a complaint with the agencies. Employees have 300 days to file a complaint with the agencies.

V. Connecticut Family and Medical Leave Act

Under Connecticut’s Family and Medical Leave Act (“CTFMLA”), Eligible Employees as defined in the CTFMLA may receive up to 12 weeks of leave in a 12-month period for (1) the birth of a child of the employee within the first year after the birth; (2) the placement of a child with the employee in connection with the adoption or foster care of the child; (3) to care for a Family Member with a serious health condition; (4) a serious health condition of the Employee; (5) to serve as an organ or bone marrow donor; (6) a qualifying exigency related to the Employee’s spouse, son, daughter or parent being on active duty or having been

CTFMLA leave is unpaid. However, Employees are required to concurrently utilize accrued Company-provided paid vacation/personal leave as part of such family/medical leave; provided that Eligible Employees may choose to retain up to two weeks of accrued paid vacation/personal leave, if available. For those Employees who qualify for leave under the federal Family and Medical Leave Act (FMLA), leave pursuant to the CTFMLA will run concurrently with any leave to which the Employee is entitled under the federal FMLA.

If the leave is foreseeable for the birth or placement of a child due to adoption or foster care, the Employee must provide at least 30 days advance notice before the leave is to begin, unless the date of birth or placement requires leave to begin in less than 30 days, in which case the Employee should provide as much notice as is practicable. If the leave is for a serious health condition or for organ/bone marrow donation, the Employee must provide 30 days advance notice, unless the date of the treatment requires leave to begin in less than 30 days, in which case the Employee must provide as much notice as is practicable. For a serious health condition of a covered family member, the Employee must provide certification stating (1) the date on which the serious health condition began; (2) the probable duration; (3) appropriate medical facts within the health care provider's knowledge regarding the condition; (4) a statement that the Employee is needed to care for the family member and an estimate of the amount of time that such Employee needs to care for the family member; and (5) a statement that the Employee is unable to perform the functions of the position of the Employee. Employees who take CTFMLA leave are entitled to be restored to their original positions or, if the original position is unavailable, to an equivalent position with equivalent benefits, pay, and terms and conditions of employment.

THIS DOCUMENT DOES NOT CREATE AN EMPLOYMENT CONTRACT

The Company prohibits unlawful retaliation or interference. Employees who believe their rights have been violated should immediately inform People and Culture. Employees who believe their CTFMLA rights have been violated also have the option to file a complaint directly in Connecticut Superior Court, or with the Connecticut Department of Labor ("CTDOL"). IX. Harassment, Discrimination, and Retaliation Prevention Policy

This policy supplements the Harassment, Discrimination, and Retaliation Prevention Policy in the Employee Handbook, and applies to all Illinois Employees. The Company hopes that any incidents of sexual harassment can be resolved through the internal Complaint Procedure outlined in the main Employee Handbook.

Pursuant to Illinois law, sexual harassment means any harassment based on someone's sex or gender. It includes harassment that is not sexual in nature (for example, offensive remarks about an individual's sex or gender), as well as any unwelcome sexual advances or requests for sexual favors or any other conduct of a sexual nature, when any of the following is true: (i) submission to the advance, request, or conduct is made either explicitly or implicitly a term or condition of employment; (ii) submission to or rejection of the advance, request, or conduct is used as a basis for employment decisions; (iii) such advances, requests, or conduct have the purpose or effect of substantially or unreasonably interfering with an employee's work performance by creating an intimidating, hostile, or offensive work environment.

The Company requires that all Employees annually participate in sexual harassment prevention training.

In addition to the internal Company complaint procedure, Illinois Employees also have the right to file formal charges with the Illinois Department of Human Rights (IDHR) and/or the U.S. Equal Employment Opportunity Commission (EEOC) and/or the Chicago Commission on Human Relations ("CCHR"). A charge with the IDHR must be filed within 300 days of the incident of sexual harassment. A charge with the EEOC must be filed within 300 days of the incident. A charge with the CCHR must be filed within 365 days of the alleged incident. The State of Illinois also has created a Sexual Harassment Helpline, which is administered by IDHR: 1-877-236-7703. Using the Company complaint procedure does not prohibit the Employee from filing a complaint with these agencies.

X. Pregnancy Accommodations

This policy applies to all applicants or Employees of the Company in the State of Illinois, and controls where it may conflict with the Company's other policies.

A pregnant Employee has the right to:

- ask the Company for a reasonable accommodation for the Employee's pregnancy, such as more frequent bathroom breaks, assistance with heavy work, a private space for expressing milk, or time off to recover from pregnancy;
- reject an accommodation offered by the Company for the Employee's pregnancy that the Employee does not desire; and
- continue working during the Employee's pregnancy if a reasonable accommodation is available which would allow the Employee to continue performing her job.

The Company will not:

- discriminate against an Employee because of the Employee's pregnancy; or
- retaliate against the Employee because the Employee requested a reasonable accommodation.

It is illegal for the Company to terminate, refuse to hire, or refuse to provide someone with a reasonable accommodation because of their pregnancy.

For more information regarding a pregnant Employee's rights, download the Illinois Department of Human Rights fact sheet at www.illinois.gov/dhr, or see the posting in your location which explains the law in more detail. The Company fully complies with the law.

If you have questions about your rights, in addition to contacting your supervisor, you have the right to contact the Illinois Department of Human Rights.

XI. Illinois Paid Leave

The Company provides eligible Employees with paid leave pursuant to Illinois' Paid Leave for All Workers Act (PLAWA) and the Cook County Paid Leave Ordinance (CCPL).

The guidelines in this policy do not supersede federal, state or local laws regarding leaves of absence, including but not limited to leave taken under the Family and Medical Leave Act (FMLA), leave taken as a reasonable accommodation under the Americans with Disabilities Act (ADA) or any other applicable federal, state or local law, including those prohibiting discrimination and harassment.

A. Eligibility

All full- or part-time Employees, seasonal and temporary Employees are eligible to accrue paid leave.

B. Accrual and Use

For purposes of this policy, all eligible Employees will accrue one hour of paid leave for every 40 hours worked. The maximum amount of paid leave an Employee can use is capped at 40 hours per calendar year.

A benefit is the calendar year. Employees may use PLAWA leave in 1.00-hour increments. An Employee may begin to access PLAWA leave on the 90th day of service with the Company.

For accrual purposes, salaried exempt Employees are assumed to work 40 hours per workweek. If an Employee normally works fewer than 40 hours, then accrual will be based on his or her normal workweek. Non-exempt Employees accrue PLAWA leave based on all hours worked, including overtime hours worked. PLAWA leave does not accrue when an Employee is not working, such as when an Employee is on an unpaid leave of absence.

C. Carryover

Employees can carry over up to 40 hours of accrued but unused paid leave from one calendar year to the next. However, Employees are entitled to use no more than 40 hours of paid leave in a calendar year.

The Company does not offer pay in lieu of actual use of PLAWA leave.

D. Reasons Leave Time May Be Used

PLAWA or CCPL leave is available for any use, without limitation.

E. Requesting Leave and Documentation

When the need for leave is planned or foreseeable, Employees must provide notice and make the request for leave at least 7 days in advance, of the need for leave. If the need for leave is unforeseeable, Employees must provide notice as soon as practicable.

Because PLAWA or CCPL leave can be used for any reason, the Employee does not have to provide a reason for use to the Company. However, if the need to use leave exceeds three consecutive work days, verification may be requested under the Family Medical Leave Act (FMLA), if the leave is related to an FMLA qualifying event.

To provide notice of the need to use leave, Employees should contact Human Resources electronically.

Employees are not required to find an Employee to cover their work when they use PLAWA or CCPL leave, and the leave time will not count against attendance. Therefore, any such use of paid leave will not lead to or result in discipline, demotion, suspension, or termination.

F. Denial of Leave

The Company may deny a request for leave in order to meet its core operational needs.

G. Rate of Pay for Leave Time

Leave is paid based on the Employee's normal hourly rate. Leave is available only for shifts the Employee was scheduled to work.

H. Separation from Employment

Because paid leave is being provided solely pursuant to PLAWA or CCPL Employees will not be compensated for accrued and unused PLAWA or CCPL leave upon separation from employment for any reason.

I. Effect on Other Rights and Policies

The Company may provide other forms of leave for Employees to care for medical conditions or for issues related to domestic violence under certain federal, state and municipal laws. In certain situations, PLAWA leave may run at the same time as leave available under another federal, state or municipal law, provided eligibility requirements for that law are met. If PLAWA leave is used for more than three consecutive work days and the Employee is eligible for protection under the Family Medical Leave Act (FMLA), the PLAWA leave and the FMLA leave shall run concurrently. CCPL leave will not run concurrently with FMLA. The Company is committed to complying with all applicable laws. Employees should contact Human Resources for information about other federal, state and local medical, domestic violence or family leave rights.

J. No Discrimination or Retaliation

The Company will not retaliate or discriminate against, tolerate retaliation or discrimination against, or restrain or interfere with any Employee who in good faith exercises or attempts to exercise his or her rights under the PLAWA or CCPL. The Company hopes that any issue regarding use of leave provided under this policy can be resolved through the Company internal reporting procedure. However, in Illinois, Employees have the right to file a formal complaint regarding a violation of the PLAWA with the Illinois Department of Labor. A complaint with the Illinois Department of Labor must be filed within three (3) years after the alleged violation took place. A summary of the PLAWA requirements may be found here: [https://labor.illinois.gov/laws - rules/paidleave.html](https://labor.illinois.gov/laws-rules/paidleave.html).

XII. CHICAGO POLICIES

(APPLICABLE TO CHICAGO EMPLOYEES ONLY)

Chicago Employees: please note that wherever Chicago law provides for or offers greater protections to Employees than this Illinois Employee Handbook Supplement (“*State Supplement*”), including this Chicago subsection of the *State Supplement*, Chicago law will govern. Additionally, if the provisions in this Chicago subsection conflict with either (a) the rest of this Illinois *State Supplement* or (b) the *Employee Handbook*, the policies in this Chicago subsection will control. All of the policies set forth below may not be applicable to all Employees. Employees should contact People and Culture with any questions about the policies in this *State Supplement*.

XIII. Harassment, Discrimination, and Retaliation Prevention

This policy supplements the Harassment, Discrimination, and Retaliation Prevention Policy in the Employee Handbook, as well as the above supplement for all Illinois Employees. In addition to the above noted definition, in Chicago, “sexual harassment” also means sexual misconduct, which is behavior of a sexual nature that also involves coercion, abuse of authority, or misuse of an individual’s employment position.

Examples of sexual harassment are set forth in the Harassment, Discrimination, and Retaliation Prevention Policy in the Employee Handbook.

The Company hopes that any incident of harassment, including but not limited to sexual harassment, can be resolved through the internal process set forth in Harassment, Discrimination, and Retaliation Prevention Policy in the main Employee Handbook. Like all other Illinois Employees, Employees based in Chicago have the right to file formal charges, as detailed above.

XIV. Chicago Paid Leave and Paid Sick and Safe Leave Policy

The Company provides eligible Employees with paid leave (“PL”) and paid sick and safe leave (“PSSL”) pursuant to the Chicago Paid Leave and Paid Sick and Safe Leave Ordinance.

The guidelines in this policy do not supersede federal, state or local laws regarding leaves of absence, including but not limited to leave taken under the federal and any applicable state or local Family and Medical Leave Act (FMLA), leave taken as a reasonable accommodation under the Americans with Disabilities Act (ADA) or any other applicable federal, state or local law, including those prohibiting discrimination and harassment.

A. Eligibility

Full time, part-time and temporary Employees who work at least 80 hours for the Company within any 120-day period within the City of Chicago, are eligible to accrue both PL and PSSL.

B. Reasons for Leave

PL may be used for any reason.

PSSL may be used for the following reasons:

- the Employee's own illness or injury, or to receive professional care, including preventive care, treatment, or diagnosis, for medical, mental, or behavioral issues, including substance abuse disorders;
- the Employee's family member's illness or injury or quarantine order, or to care for a family member receiving professional care, including preventive care, treatment, or diagnosis, for medical, mental, or behavioral issues, including substance abuse disorders;
- the Employee or the Employee's family member is a victim of domestic violence, a sex offense (which includes stalking, aggravated stalking, or cyber stalking), or trafficking;
- the Company's closure, by order of a public official due to a public health emergency;
- the Employee needs to care for a family member whose school, class, or place of care has been closed; or
- the Employee is following an order of the Mayor, Governor of Illinois, Chicago Department of Public Health, or a treating health care provider, requiring the Employee to:
 - remain home to minimize the transmission of a communicable disease;
 - remain at home while experiencing symptoms or sick with a communicable disease;
 - follow a quarantine order; or
 - follow an isolation order.

Eligible family members include an Employee's:

- child (including biological, adopted, step, or foster child, or a child to whom the Employee stands in loco parentis),
- spouse or domestic partner;
- parent (biological, foster, step, or adoptive parent, or legal guardian, or a person who stood in loco parentis to the Employee) or spouse/domestic partner's parent;
- sibling;
- grandparent;
- grandchild; or
- any other blood relative or person whose close association is equivalent to a family relationship.

C. Accrual and Use

Eligible Employees begin to accrue PL and PSSL on their first day of employment. Employees accrue one hour of PL and one hour of PSSL for every 35 hours worked in Chicago, Illinois up to a maximum of 40 hours of PL and 40 hours of PSSL in a calendar year. Employees may use PL under this policy in 4-hour increments. Employees may use PSSL under this policy in 2-hour increments. Employees may begin to access PL on their 90th day of employment with the Company. Employees may begin to access PSSL on their 30th day of employment.

Employees may use PL and PSSL as it accrues.

For accrual purposes, salaried exempt employees are assumed to work 40 hours per workweek. If an Employee normally works fewer than 40 hours, then accrual will be based on their normal workweek. Non-exempt employees accrue PL and PSSL based on all hours worked, including overtime hours worked. PL and PSSL do not accrue when an Employee is not working, such as when the Employee is on an unpaid leave of absence.

D. Carryover

Employees may carry over up to 16 hours of PL and up to 80 hours of PSSL from one year to the next. Accrual of PL and PSSL in the subsequent year is in addition to the hours that were accrued and unused in the previous year and carried over. However, the total amount of accrued and unused time, including any carryover, may not exceed 56 hours of PL or 120 hours of PSSL.

The Company does not offer pay in lieu of actual PL or PSSL.

E. Rate of Pay

PL and PSSL are paid based on the Employee's normal hourly rate. Employees will be paid only for the hours they are scheduled to work.

F. Requesting Leave and Documentation

When the need for PL or PSSL is foreseeable, Employees must provide at least seven days' notice. If the need for PL or PSSL is unforeseeable, Employees must provide notice as soon as practicable. In all circumstances, the Employee is responsible for specifying that the requested time off is for legally protected leave reasons, so the absence may be designated accordingly.

To provide notice of the need to use PL or PSSL, Employees should contact Human Resources electronically.

If PSSL is used for more than three consecutive days, the Company requires Employees to provide supporting documentation that the PSSL was used for a covered purpose. If PSSL is used for the Employee's or the Employee's family member's medical condition, documentation signed by a health care professional is sufficient documentation of the covered purpose. If PSSL is used because the Employee or their family member is a victim of domestic violence, sexual violence or stalking, the following documentation is sufficient: (1) a police report, (2) a court document, (3) a signed statement from an attorney, a member of clergy, or a victim services advocate, or (4) any other evidence that supports the Employee's claim, including a written statement from the Employee or any other individual with knowledge of the circumstances.

Employees are not required to find an Employee to cover their work when they take PL or PSSL. Qualified use of PL or PSSL will not result in disciplinary action or be counted as an absence.

G. Denial of Leave

The Company may deny a request for leave in order to meet its core operational needs.

H. Internal Transfer of Employment

If an Employee is transferred to a separate division, entity, or location outside of Chicago, Illinois the Employee will be paid the monetary equivalent of all unused, accrued PL.

I. Separation from Employment

Employees will be paid the monetary equivalent of all unused, accrued PL upon separation from employment for any reason.

J. Confidentiality

In accordance with applicable federal, state and local law, the Company will treat as confidential health information or information pertaining to domestic violence, sexual assault or stalking pertaining to the Employee or the Employee's family member. Such information will not be released without the Employee's express permission, unless otherwise required by law or by a court or administrative agency.

K. Effect on Other Rights and Policies

The Company may provide other forms of leave for Employees to care for medical conditions or for issues related to domestic violence under certain federal, state and municipal laws. The Company is committed to complying with all applicable laws. Employees should contact People and Culture for information about other federal, state and local medical, domestic violence or family leave rights.

L. No Discrimination or Retaliation

The Company will not retaliate or discriminate against, tolerate retaliation or discrimination against, or restrain or interfere with any Employee who in good faith exercises or attempts to exercise their rights under the Chicago Paid Leave and Paid Sick and Safe Leave Ordinance. In Chicago, Employees have the right to file a formal complaint regarding a violation of the Chicago Paid Sick and Safe Leave Ordinance with the Chicago Department of Business Affairs and Consumer Protection – Office of Labor Standards. A complaint must be filed within three (3) years after the alleged violation took place.

XVII. Massachusetts Parental Leave

Massachusetts Employees who are not eligible for Family or Medical Leave under the FMLA may be eligible under the Massachusetts Parental Leave Act (MPLA) for a leave of absence for childbirth, adoption, or for the placement of a child pursuant to a court order.

Full-time Employees are eligible for MPLA leave if they have been employed for at least 3 months. Employees are eligible for up to 8 weeks of unpaid leave for: (a) giving birth; (b) caring for a newly placed child under the age of 18, or under the age of 23 if the child is mentally or physically disabled; or (c) for an intended or actual adoption.

The MPLA also provides that, if two Employees of the same employer are the parents to the same child, those employees are only entitled to one aggregate period of 8 weeks of leave between them.

An Employee who takes leave is generally entitled to be restored to the Employee's previous or similar position with the same status, pay, and seniority as when the leave period began. These protections apply only to leaves of up to eight weeks. According to the MPLA, the law does not require that an Employee be reinstated to a position when Employees in similar positions with similar lengths of service and status have been laid off due to economic or other operating conditions. In these circumstances, the Employee on leave is to be afforded the same preferential treatment in consideration for another position as they would have had at the time their leave period began.

Leave under MPLA is unpaid, though Employees may use applicable accrued paid time off while on leave. Where an Employee qualifies for leave under the MPLA and the federal FMLA, leave under both statutes will run concurrently.

The Company complies with applicable state and local laws, including the Massachusetts Paid Family and Medical Leave Act, and, where applicable, leave available under that law runs concurrently with other leaves, including but not limited to the federal Family and Medical Leave Act and the MPLA. In addition, where Employees elect to use accrued paid time off (including but not limited to time covered by the Massachusetts Earned Sick Time law) during a period of absence covered by the Massachusetts Paid Family and Medical Leave law, such absences will run concurrently under the Massachusetts Earned Sick Time Law and Paid Family and Medical Leave Law.

To obtain a Leave of Absence Medical Certification Form, Employees should contact People and Culture.

Other information regarding leave can be found at: [2025 pfml poster](#).document

XVIII. Accommodations Due to Pregnancy, Childbirth and Related Conditions

This policy supplements the Accommodations Due to Pregnancy, Childbirth and Related Conditions policy in the Employee Handbook, and applies to all Massachusetts Employees.

Employees have the right to be free from discrimination in relation to pregnancy or a condition related to the Employee's pregnancy including, but not limited to, lactation or the need to express milk for a nursing child, including the right to reasonable accommodations for conditions related to pregnancy. Employers may not

treat Employees less favorably than other Employees based on pregnancy or pregnancy-related conditions, and may not refuse to hire or deny an employment opportunity to an Employee because of the Employee's request for or use of a reasonable accommodation for pregnancy or a pregnancy-related condition.

Employees should contact People and Culture to request an accommodation for a pregnancy or a pregnancy-related condition. Upon this request, the Company will engage in an interactive process with the Employee to determine a reasonable accommodation to enable the Employee to perform the essential functions of the Employee's job. The Company will accommodate pregnancy and pregnancy-related conditions unless doing so would pose an undue hardship to the Company.

The Company will not require an Employee affected by pregnancy or a pregnancy-related condition to accept an accommodation, if that accommodation is unnecessary to enable the Employee to perform the essential functions of the job. The Company will not require an Employee to take a leave if another reasonable accommodation may be provided for the known conditions related to the Employee's pregnancy, without undue hardship to the Company.

The Company may require that Employees provide medical documentation concerning the need for a pregnancy or pregnancy-related reasonable accommodation but will not require Employees to submit medical documentation if the accommodation requested is for: (i) more frequent restroom, food, or water breaks; (ii) seating; (iii) limits on lifting no more than 20 pounds; or (iv) private, non-bathroom space for expressing breast milk.

XIX. Meal and Rest Breaks

This policy supplements the Meal and Rest Breaks policy in the Employee Handbook, and applies to all Massachusetts Employees, both exempt and non-exempt.

Employees must take their 30-minute unpaid meal break within the first six hours of work each day (and in the event an Employee works more than 12 hours in any given day, the Employee must take a 30-minute meal break for each six-hour period of work). During the meal break, Employees are completely relieved of all work duties and are free to leave the premises.

If you have any questions about your pay or hours, including questions about taking meal breaks, or if you believe you are not being given the opportunity to take meal breaks, you should immediately contact People and Culture. It is against Company policy to retaliate against any Employee who makes a complaint in good faith pursuant to this policy.

XX. Massachusetts Sick and Safe Time Policy

The Company provides eligible Employees with sick and safe time ("SST") pursuant to the Massachusetts Earned Sick Time Law.

The guidelines in this policy do not supersede federal, state or local laws regarding leaves of absence, including but not limited to leave taken under the federal or any applicable state or local Family and Medical Leave Act (FMLA), leave taken as a reasonable accommodation under the Americans with Disabilities Act

(ADA) or any other applicable federal, state or local law, including those prohibiting discrimination and harassment.

A. Eligibility

All Employees whose primary place of work is Massachusetts are eligible to accrue sick and safe time including part-time, temporary, and seasonal Employees.

B. Reasons for Leave

SST may be used for the following reasons:

- to care for an Employee's own mental or physical illness, injury, or health condition that requires home care, professional diagnosis or care, or preventative medical care;
- to care for the Employee's child, spouse, parent, or parent of a spouse, who is suffering from a physical or mental illness, injury, or medical condition that requires home care, professional medical diagnosis or care, or preventative medical care;
- to attend the Employee's routine medical appointment or a routine medical appointment for the Employee's child, spouse, parent, or parent of spouse;
- to address the psychological, physical or legal effects of domestic violence; or
- to travel to and from an appointment, pharmacy, or other location related to the purpose for which the SST time was taken.

Eligible family members include an Employee's:

4. child (including the biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person who has assumed the responsibilities of parenthood); or
5. parent (including the biological, adoptive, foster or step-parent of an Employee or the Employee's spouse, or other person who assumed the responsibilities of parenthood when the Employee or employee's spouse was a child).

C. Accrual and Use

Eligible Employees begin to accrue SST on their first day of employment. Employees accrue one hour of SST for every 30 hours worked, up to a maximum of 40 hours in a calendar year. Regardless of accrual, an Employee may use only up to 40 hours of leave under this policy in any year. SST may be used for full or partial day absences. The smallest amount of SST that an Employee may take is one hour. For uses beyond one hour, Employees may use time under this policy in 1.00-hour increments. However, if an Employee's absence from work at a designated time requires the Company to hire a replacement and the Company does so, the Company may require the employee using SST to take up to a full shift of SST. An Employee may begin to access leave on their 90th day of employment with the Company.

For accrual purposes, salaried exempt employees are assumed to work 40 hours per workweek. If an Employee normally works fewer than 40 hours, then accrual will be based on the Employee's normal workweek. Non-exempt employees accrue SST based on all hours worked, including overtime hours. SST does not accrue when an Employee is not working, such as when the Employee is on an unpaid leave of absence.

D. Carryover

Accrued but unused SST may be carried over from year to year up to 40 hours. However, the total amount of time used in any calendar year may not exceed 40 hours regardless of the Employee's accrual bank.

The Company does not offer pay in lieu of actual SST.

E. Rate of Pay

SST is paid based on the Employee's normal hourly rate.

Employees will be paid for only the hours they are scheduled to work.

F. Requesting Leave and Documentation

When the need for SST is foreseeable, Employees must provide reasonable notice of at least seven days of the need for SST. If the need for SST is unforeseeable, Employees must provide notice as soon as practicable. In all circumstances, an Employee is responsible for specifying that the requested time off is for sick or safe leave reasons, so that the absence may be designated accordingly. If possible, notice of the need to use paid sick or safe leave should include the expected duration of the absence. To provide notice of the need to use sick time, Employees should contact People and Culture electronically. If an Employee uses more than one continuous day of SST, the Company may require notification on a daily basis from the Employee or the Employee's surrogate (e.g., spouse, adult family member, or other responsible party), unless the circumstances make such notification unreasonable.

Documentation of the need to use SST may be required in the following circumstances:

6. the Employee is absent from work for more than 24 consecutively-scheduled work hours;
7. the Employee is absent for three consecutively-scheduled work days;
8. the Employee's absence occurs within two weeks before an Employee's final scheduled day of work before separation, except in the case of temporary workers; or
9. the Employee's absence occurs after four unforeseeable and undocumented absences within a three month period.

Employees must submit required documentation must within seven days of their absence, absent extenuating circumstances.

If the Employee is absent for medical reasons, the Company may require a statement from a health care provider that the absence was for a purpose covered by the law. An Employee who does not have a health care provider may sign a written statement that SST was needed for a reason covered by the law. If the Employee is absent due to domestic violence, the Company will accept any of the following documentation:

10. a restraining order or court document;
11. a police record documenting the abuse;
12. documentation that the perpetrator of the abuse has been convicted of one or more of the offenses enumerated in M.G.L. c. 265 where the victim was a family or household member;
13. medical documentation of the abuse;
14. a statement provided by a counselor, social worker, health worker, member of the clergy, shelter worker, legal advocate, or other professional who has assisted in addressing the effects of the abuse; or
15. a signed written statement from the employee attesting to the abuse.

Employees are not required to find coverage for their work when they take SST. Qualified use of SST will not result in disciplinary action or be counted as an absence.

G. Internal Transfer of Employment

If an Employee is transferred to a separate division, entity, or location within the Company, the Employee is entitled to all earned SST for future use. If the Employee is transferred out of Massachusetts, SST will stop accruing upon transfer.

H. Separation from Employment

Compensation for accrued and unused SST is not provided upon separation from employment for any reason. The following rules apply to an Employee's break in service:

- If the Employee separates from employment and is rehired within four months, all previously accrued and unused SST will be reinstated and the SST will be available for use at re-employment.
- If the Employee separates from employment and is rehired between 4 and 12 months after separation, previously accrued and unused SST will be reinstated if the Employee previously had accrued 10 or more hours of SST before the break in service. If the Employee previously had accrued less than 10 hours of SST prior to the break in service, the Employee is not entitled to reinstatement of any SST.
- Employees rehired after a break in service of more than 12 months are not entitled to reinstatement of prior accrued SST.

I. Confidentiality

In accordance with applicable federal, state, and local law, the Company will treat as confidential health information or information pertaining to domestic violence, sexual assault or stalking relating to the Employee or their family member. Such information will not be released without the Employee's express permission, unless otherwise required by law or by a court or administrative agency.

J. Effect on Other Rights and Policies

The Company may provide other forms of leave for employees to care for medical conditions or for issues related to domestic violence under certain federal, state and local laws. In certain situations, leave under this policy may run at the same time as leave available under another federal, state or local law, provided eligibility requirements for that law are met. If SST is used for more than three consecutive days and the Employee is eligible for protection under an applicable Family Medical Leave Act (FMLA), the paid sick time and the FMLA will run concurrently. The Company is committed to complying with all applicable laws. Employees should contact People and Culture for information about other federal, state and local medical, domestic violence or family leave rights.

K. No Discrimination or Retaliation

The Company will not retaliate or discriminate against, tolerate retaliation or discrimination against, or restrain or interfere with any Employee who in good faith exercises or attempts to exercise their rights under the Massachusetts Earned Sick Time Law.

XXI. Family Medical Leave Act

This policy supplements the applicable Family Medical Leave Act policy and/or paid time off policy in the Employee Handbook, and applies to all Massachusetts Employees.

Employees may, but are not required to, exhaust accrued paid time off when on FMLA leave that also qualifies for leave under the Massachusetts Parental Leave Act.

XXII. Massachusetts Small Necessities Leave Act

Massachusetts Employees may take a total of up to 24 hours of Small Necessities Leave ("SNL") during any twelve-month period (measured backwards from the effective date of the leave) to allow them to participate in certain family obligations. To be eligible, an Employee must (i) have worked for the Company for at least twelve months, (ii) have worked 1,250 hours or more in the preceding twelve-month period, and (iii) be employed at a worksite where 50 or more Employees are employed by the employer within 75 miles of that worksite.

An eligible Employee may take SNL to: (1) participate in school activities directly related to the educational advancement of his/her child; (2) accompany his/her child to routine medical or dental appointments; or (3) to accompany an elderly relative (defined by Massachusetts law as an individual related by blood or marriage who is at least 60 years of age) to routine medical or dental appointments, or for other professional services related to the elderly relative's care.

SNL is unpaid, except to the extent an Employee has accrued but unused sick time or vacation time available, in which case such time shall be applied to the leave. SNL may be taken all at once, intermittently (in increments of an hour or greater), or through a reduced work schedule. An Employee's absence from work for SNL shall be no greater than that necessary to accomplish the relevant task necessitating the leave.

An Employee seeking SNL must provide at least seven days' notice before taking SNL, if the need for leave is foreseeable; if the need for leave is not foreseeable, the Employee must provide as much notice as is practicable. The Company, in its discretion, may require from the Employee certification of the need for any SNL.

XXIII. Leave for Victims of Domestic Violence or Sexual Assault

If an Employee or their family member is the victim of domestic violence or abusive behavior, or is the victim of sexual assault, the Employee may take up to 15 days of unpaid leave in a 12-month period for reasons related to addressing the abusive behavior or sexual assault, including but not limited to:

- seeking medical attention for injuries caused by domestic violence or sexual assault,
- seeking services from a domestic violence shelter or rape crisis center,
- seeking psychological counseling for domestic violence or sexual assault related experience,
- taking appropriate steps to ensure safety from future violence including meeting with a district attorney or other law enforcement official, attending child custody proceedings, seeking restraining orders or other injunctive relief and/or temporary or permanent relocation.

For purposes of this policy, domestic violence or "abusive behavior" includes: attempting to cause or causing physical harm, placing in fear of imminent serious harm, forcible sexual relations, engaging in mental abuse, depriving care, or restraining freedom, against the Employee or the Employee's family member by a current or former spouse, a person who shares a child in common, a co-habituating person, a person related by blood or marriage, or a person with whom there is or was a dating relationship or engagement. Employee's "family member" includes a spouse, persons in a "substantive dating" or engagement relationship who reside together; individuals having a child in common, parent, step-parent, child, step-child, sibling, grandparent or grandchild, or persons in a guardianship relationship.

Although leave under this policy is unpaid, Employees may, at their discretion, use any accrued vacation, personal, or sick time during the leave.

Generally, Employees must give the Company reasonable advance notice that they need time off under this policy. However, if an Employee or an Employee's family member faces an imminent threat of danger, the Employee may take an unscheduled leave without giving such advance notice, so long as the Employee or another person who has assisted the Employee in addressing the abusive behavior (such as a family member or counselor) notifies the employer within three workdays of the date leave is taken that the Employee's leave is taken pursuant to this policy.

Employees taking scheduled leave pursuant to this policy must submit documentation of their need for such leave within 48 hours of the last day of the leave. If the leave is unscheduled, Employees must submit documentation within 30 days of the last day of the unauthorized leave or, in the case of a multiple-day absence, within 30 days of the last day of the multiple-day period of absence. Documentation of the need for domestic violence or sexual assault leave may include:

- a police report which indicates that the Employee or Employee's family member was a victim of domestic violence;
- a court order protecting or separating the Employee or Employee's family member from the abuser, or other evidence from the court or prosecuting attorney that the Employee appeared in court;
- a document under the letterhead of the court, provider or public agency which the Employee attended for the purposes of acquiring assistance as it relates to the abusive behavior against the employee or the Employee's family member;
- a report from a medical professional, domestic violence advocate, health care provider, or counselor documenting that the Employee was treated for mental or physical injuries;
- a sworn statement, signed under the penalties of perjury, provided by a counselor, social worker, health care worker, member of the clergy, shelter worker, legal advocate or other professional who has assisted the Employee or the Employee's family member in addressing the effects of the abusive behavior; or
- the victim's sworn statement attesting that the Employee has been the victim of abusive behavior or is the family member of a victim of abusive behavior.

The Company will maintain the confidentiality of documentation and reports of abuse provided to it except as ordered by a court, required in the course of a law enforcement investigation, authorized by the Employee in writing, otherwise required by law, or as necessary to protect the safety of the Employee or other Employees.

An Employee who has complied with his or her obligations under this policy will be reinstated to the position they held prior to leave or to an equivalent position, unless business conditions resulted in the elimination of the Employee's former position during the leave or the Employee would not otherwise have continued to be employed had they continued in active employment. An Employee shall not be retaliated or discriminated against for requesting or taking leave under this policy.

XXVI. Accommodations Due to Pregnancy, Childbirth and Related Conditions and Lactation

In compliance with Maryland law, if a pregnant Employee requests an accommodation for a disability caused or contributed to by pregnancy, the Company will explore reasonable accommodations with the pregnant Employee, and it will endeavor to provide a reasonable accommodation unless doing so would impose an

undue hardship on the Company. Such accommodations may include changing the Employee's job duties; changing the Employee's work hours; relocating the Employee's work area; providing mechanical or electrical aids; transferring the Employee to a less strenuous or less hazardous position; or providing leave.

The Company may require certification from the Employee's health care provider concerning the medical advisability of a reasonable accommodation to the same extent a certification is required for other temporary disabilities. A certification should include: (1) the date the reasonable accommodation became medically advisable; (2) the probable duration of the reasonable accommodation; and (3) an explanatory statement as to the medical advisability of the reasonable accommodation.

XXVII. Wages

The Company will provide each Maryland Employee at the time of hiring, and when a change occurs to any of the required information, at least one pay period in advance, written notice of: (a) the Employee's rate of pay; (b) the Employee's regular paydays; and (c) leave benefits.

XXVIII. Maryland Sick Leave Policy (Other than Montgomery County, Maryland)

The Company provides eligible Employees with earned safe and sick leave ("ESSL") pursuant to Maryland's Healthy Working Families Act.

The guidelines in this policy do not supersede federal, state or local laws regarding leaves of absence, including but not limited to leave taken under the federal and any applicable state or local Family and Medical Leave Act (FMLA), leave taken as a reasonable accommodation under the Americans with Disabilities Act (ADA) or any other applicable federal, state or local law, including those prohibiting discrimination and harassment.

A. Eligibility

All Employees whose primary work location is in Maryland are eligible to accrue paid ESSL. Employees exempt from ESSL accrual include those who:

- regularly work fewer than 12 hours a week or
- are under the age of 18.

The following types of individuals also are ineligible for ESSL accrual:

- independent Contractors;
- Employees in certain agricultural positions;
- Employees in the construction industry who are covered by a collective bargaining agreement with a clear and unambiguous waiver of sick leave requirements;
- Employees who work on an as-needed basis in the health or human services industry and are not required to accept offered shifts, are not guaranteed work, and are not employed by a temporary agency;

- workers employed by a temporary services agency that does not have day-to-day control over the work assignments and supervision;
- workers directly employed by an employment agency to provide part-time or temporary services: and
- certain associate real estate brokers and real estate salespersons.

B. Reasons Sick and Safe Time May Be Used

ESSL may be used for the following reasons:

- to care for the Employee's own mental or physical illness, injury, or condition, or preventive care,
- to care for the Employee's eligible family members for similar purposes;
- maternity or paternity leave; or
- if necessary due to domestic violence, sexual assault, or stalking committed against the Employee or Employee's family member, for:
 - related medical or mental health services;
 - victim services assistance;
 - related legal services or proceedings; or
 - the Employee's relocation.
- bereavement (i.e., leave due to the death of an Employee's immediate family member, defined as a child, parent, or spouse).

Eligible family members include an Employee's:

- (a) spouse;
- (b) children;
- (c) parents;
- (d) grandparents;
- (e) grandchildren; and
- (f) siblings.

These eligible family members include biological, adoptive, foster or step-relationships, or, with respect to children and parents, a legal guardian/ward or "in loco parentis" relationship, a legal ward of an Employee, a legal ward of an Employee's spouse, or a legal guardian of an Employee's spouse.

C. Accrual and Use of Sick and Safe Time

Eligible Employees begin to accrue ESSL on their first day of employment. Employees accrue one hour of ESSL for every 30 hours worked, up to a maximum of 40 hours in a calendar year. An Employee is not entitled to accrue ESSL during (1) a two-week pay period in which the Employee worked fewer than 24 total hours; (2) a one-week pay period if the Employee worked fewer than a combined total of 24 hours in the current and immediately preceding pay period; or (3) a pay period in which the Employee is paid twice per month and worked fewer than 26 hours in the pay period.

For accrual purposes, exempt employees are assumed to work 40 hours per workweek. If an Employee normally works fewer than 40 hours, then accrual will be based on the Employee's normal workweek. Non-exempt employees accrue ESSL based on all hours worked, including overtime hours worked. ESSL does not accrue when an Employee is not working, including when an Employee is on an unpaid leave of absence.

An Employee may begin to use ESSL on their 106th day of employment with the Company. Regardless of accrual, an Employee may use only up to 64 hours of leave under this policy in any year. Employees may use time under this policy in 1.00-hour increments.

D. Carryover

Accrued but unused ESSL up to 40 hours can be carried over from year to year. However, the total amount of accrued and unused time, including any carryover, may not exceed 64 hours.

The Company does not offer pay in lieu of sick leave use.

E. Rate of Pay for Paid Sick and Safe Time

ESSL is paid based on the Employee's normal hourly rate. Employees will be paid for only the hours they are scheduled to work.

F. Notice and Documentation

When the need for ESSL is foreseeable, Employees must provide at least seven days' reasonable notice of the need for ESSL. If the need for ESSL is unforeseeable Employees must provide notice as soon as practicable. In all circumstances, an Employee is responsible for specifying that the requested time off is for sick or safe leave reasons, so that the absence may be designated accordingly.

To provide notice of the need to use ESSL, Employees should contact People and Culture electronically.

If an Employee fails to provide the required notice and the Employee's absence will cause a disruption to the employer, the employer may deny the request to take ESSL.

If ESSL is (1) used for more than two consecutive scheduled shifts or (2) the Employee used the leave during the period between the first 107 and 120 calendar days of employment and the Employee and Company agreed to the verification at the time of hire, the Company may require the Employees provide supporting documentation that the ESSL was used for a covered purpose.

Employees are not required to find coverage for their work when they take ESSL. Qualified use of ESSL will not result in disciplinary action or be counted as an absence.

G. Separation from Employment

Compensation for accrued and unused ESSL is not provided upon separation from employment for any reason. If an Employee is rehired by the Company within 37 weeks of separation from employment, previously accrued but unused sick and safe time will be immediately reinstated and available for use.

H. Confidentiality

In accordance with applicable federal, state, and local law, the Company will treat as confidential any health information pertaining to the Employee or the Employee's family member as well the reason ESSL was taken. Such information will not be released without the Employee's express permission, unless otherwise required by law or by a court or administrative agency.

I. Effect on Other Rights and Policies

The Company may provide other forms of leave for Employees to care for medical conditions or for issues related to domestic violence under certain federal, state and local laws. In certain situations, leave under this policy may run concurrently at the same time as leave available under another federal, state, or local law, provided eligibility requirements for that law are met. If sick leave is used for more than three consecutive days and the Employee is eligible for protection under an applicable Family Medical Leave Act (FMLA), the sick time and any applicable FMLA shall run concurrently, unless prohibited by law. The Company is committed to complying with all applicable laws. Employees should contact People and Culture for information about other federal, state and local medical, domestic violence or family leave rights.

J. No Discrimination or Retaliation

The Company will not retaliate or discriminate against, tolerate retaliation or discrimination against, or restrain or interfere with any Employee who in good faith exercises or attempts to exercise their rights under Maryland's Healthy Working Families Act.

XXIX. Termination

When a Maryland Employee's employment with the Company is terminated (voluntarily or involuntarily), the Company will pay all wages due for work the Employee performed before the termination, on or before the day on which the Employee would have been paid if still employed with the Company. Additionally, the Company will not pay the Employee for unused paid time off upon termination (voluntarily or involuntarily) from the Company.

XXX. BALTIMORE, MARYLAND POLICIES

(APPLICABLE TO BALTIMORE, MARYLAND EMPLOYEES ONLY)

Baltimore, MD Employees: please note that wherever Baltimore, MD law provides for or offers greater protections to Employees than this Maryland Employee Handbook Supplement (“*State Supplement*”), including this Baltimore, MD subsection of the *State Supplement*, Baltimore, MD law will govern. Additionally, if the provisions in this Baltimore, MD subsection conflict with either (a) the rest of this Maryland *State Supplement* or (b) the *Employee Handbook*, the policies in this Baltimore, MD subsection section will control. All of the policies set forth below may not be applicable to all Employees. Employees should contact People and Culture with any questions about the policies in this *State Supplement*.

XXXI. Lactation Breaks

In accordance with the Baltimore City Lactation Accommodation Ordinance (the “Lactation accommodation Ordinance”), the Company will provide a reasonable amount of break time to accommodate an Employee desiring to express breast milk for the Employee’s child.

If an Employee otherwise receives any paid rest or break time, the lactation break time should, to the extent possible, run concurrently with that paid break time. If the break time cannot run concurrently with any paid rest or break time already provided to the Employee, the break time will be unpaid for nonexempt employees.

Upon request, the Company will provide a lactation location (other than a bathroom or closet) that is in close proximity to the Employee’s work area. The lactation location may be the place where the Employee normally works, if it otherwise meets the requirements of the Lactation Accommodation Ordinance.

The lactation location will shield occupants from view and intrusion by coworkers and others and will be safe, clean and free of toxic or hazardous materials. The lactation location will contain a surface on which to place a breast pump and other personal items, a place to sit and at least one electrical outlet. A sink with running hot and cold water and a refrigerator in which the Employee can store breast milk will either be present in the lactation location itself or at another location that is within close proximity to the Employee’s work area. Access to the lactation location will be limited by a door that can be locked from the inside.

A designated lactation location may also be used for other purposes. However, throughout the period when an Employee needs to express milk, the primary function of the space will be its use as a lactation location. Employees who might otherwise wish to use the designated space should be aware that its primary function is to serve as a lactation location (when applicable), which takes precedence over all other uses.

Baltimore Employees have a legal right to request a lactation accommodation. To request a lactation accommodation, Employees should contact People and Culture. All Employees will receive the lactation policy upon hire, and within 10 calendar days of an Employee inquiring about pregnancy or parental leave.

MONTGOMERY COUNTY, MARYLAND POLICIES

(APPLICABLE TO MONTGOMERY COUNTY, MARYLAND EMPLOYEES ONLY)

Montgomery County, Maryland Employees: please note that wherever Montgomery County, Maryland law provides for or offers greater protections to Employees than this Maryland Employee Handbook Supplement (“*State Supplement*”), including this Montgomery County, Maryland subsection of the *State Supplement*, Montgomery County, Maryland law will govern. Additionally, if the provisions in this Montgomery County, Maryland subsection conflict with either (a) the rest of this Maryland *State Supplement* or (b) the *Employee Handbook*, the policies in this Montgomery County, Maryland subsection section will control. All of the policies set forth below may not be applicable to all Employees. Employees should contact People and Culture with any questions about the policies in this *State Supplement*.

XXXII. Montgomery County, Maryland Sick and Safe Leave Policy

The Company provides eligible Employees with earned sick and safe leave (“ESSL”) pursuant to Maryland’s Healthy Working Families Act and the Montgomery County Earned Sick and Safe Leave Law.

The guidelines in this policy do not supersede federal, state or local laws regarding leaves of absence, including but not limited to leave taken under the federal and any applicable state or local Family and Medical Leave Act (FMLA), leave taken as a reasonable accommodation under the Americans with Disabilities Act (ADA) or any other applicable federal, state or local law, including those prohibiting discrimination and harassment.

A. Eligibility

All Employees whose primary work location is in Montgomery County, Maryland and who regularly work more than eight hours per week are eligible to accrue ESSL. Individuals exempt from accrual include those who:

- do not have a regular work schedule;
- contact the employer for work assignments and are scheduled to work within 48 hours after contacting the employer;
- have no obligation to work for the employer if they do not contact the employer for work assignments, and are not employed by a temporary agency;
- regularly work eight or fewer hours per week; or
- are independent contractors.

B. Reasons for Leave

ESSL may be used for the following reasons:

- to care for or treat the Employee’s mental or physical illness, injury, or condition;
- to obtain preventive medical care for the Employee or the Employee’s family member;

- to care for a family member with a mental or physical illness, injury, or condition;
- for maternity or paternity leave; or
- if the employer's place of business has closed by order of a public official due to a public health emergency;
- if the school or childcare center for the Employee's family member is closed by order of a public official due to a public health emergency;
- to care for a family member if a health official or health care provider has determined that the family member's presence in the community would jeopardize the health of others because of the family member's exposure to a communicable disease; or
- if the absence from work is due to domestic violence, sexual assault, or stalking committed against the Employee or the Employee's family member and the leave is used:
 - by the Employee to obtain for the Employee or the Employee's family:
 - medical or mental health attention needed to recover from a physical or psychological injury due to domestic violence, sexual assault, or stalking;
 - services from a victim services organization related to the domestic violence, sexual assault, or stalking; or
 - legal services, including preparing for or participating in a civil or criminal proceeding related to the domestic violence, sexual assault, or stalking; or
 - during the time that the Employee has temporarily relocated due to the domestic violence, sexual assault, or stalking.

Eligible family members include:

- (a) a biological child, adopted child, foster child, or stepchild of the Employee;
- (b) a child for whom the Employee has legal or physical custody or guardianship;
- (c) a child for whom the Employee stands in loco parentis, regardless of the child's age;
- (d) a biological parent, adoptive parent, foster parent, or stepparent of the Employee or the Employee's spouse;
- (e) the legal guardian of the Employee;

- (k) a biological sibling, an adopted sibling, a foster sibling or a stepsibling of the Employee;
- (l) a biological, adopted, or foster sibling of the Employee; or
- (m) the spouse of a biological, adopted, or foster sibling of the Employee.

C. Accrual and Use

Eligible Employees begin to accrue ESSL on their first day of employment. Employees accrue one hour of paid ESSL for every 30 hours worked in Montgomery County, up to a maximum of 56 hours in a calendar year.

Regardless of accrual, an Employee may use only up to 80 hours of ESSL under this policy in any year. Employees may use time under this policy in 1.00-hour increments. An Employee may begin to access ESSL on their 90th day of employment with the Company.

For accrual purposes, salaried exempt Employees are assumed to work 40 hours per workweek. If an Employee normally works fewer than 40 hours, then accrual will be based on the Employee's normal workweek. Non-exempt Employees accrue sick leave based on all hours worked, including overtime hours worked. ESSL does not accrue when an Employee is not working, such as when an Employee is on an unpaid leave of absence.

D. Carryover

Accrued but unused ESSL up to 56 hours may be carried over from year to year. However, regardless of accrual, an Employee may only use up to 80 hours of leave under this policy in any year.

The Company does not offer pay in lieu of actual sick leave.

E. Rate of Pay

ESSL is paid based on the Employee's normal hourly rate. Employees will be paid for only the hours they were scheduled to work.

F. Requesting Leave and Documentation

When the need for ESSL is foreseeable, Employees must provide reasonable notice, preferably up to seven days' notice, of the need for ESSL. If the need for ESSL is unforeseeable, Employees must provide notice as soon as practicable. In all circumstances, an Employee is responsible for specifying that the requested time off is for sick or safe leave reasons, so that the absence may be designated accordingly.

To provide notice of the need to use ESSL, Employees should contact People and Culture electronically, if those requirements do not interfere with the Employee's ability to use ESSL. If an Employee fails to provide the required notice and the Employee's absence will cause a disruption to the employer, the employer may deny the request to take ESSL.

If ESSL is used for more than three consecutive days, the Company may require the Employee to provide supporting documentation that the ESSL was used for a covered purpose.

Employees are not required to find coverage for their work when they take ESSL. Qualified use of ESSL will not result in disciplinary action or be counted as an absence.

G. Separation from Employment

Compensation for accrued and unused ESSL is not provided upon separation from employment for any reason. If an Employee is rehired by the Company within 9 months of separation from employment, previously accrued but unused ESSL will be immediately reinstated and available for use.

H. Confidentiality

In accordance with applicable federal, state, and local law, the Company will treat as confidential any health information pertaining to the Employee or the Employee's family member as well the reason ESSL was taken. Such information will not be released without the Employee's express permission, unless otherwise required by law or by a court or administrative agency.

I. Effect on Other Rights and Policies

The Company may provide other forms of leave for Employees to care for medical conditions or for issues related to domestic violence under certain federal, state and local laws. In certain situations, leave under this policy may run concurrently at the same time as leave available under another federal, state, or local law, provided eligibility requirements for that law are met. If sick leave is used for more than three consecutive days and the Employee is eligible for protection under an applicable Family Medical Leave Act (FMLA), the sick time and any applicable FMLA shall run concurrently, unless prohibited by law. The Company is committed to complying with all applicable laws. Employees should contact People and Culture for information about other federal, state and local medical, domestic violence or family leave rights.

J. No Discrimination or Retaliation

The Company will not retaliate or discriminate against, tolerate retaliation or discrimination against, or restrain or interfere with any employee who in good faith exercises or attempts to exercise their rights under the Maryland Healthy Working Families Act and the Montgomery County Earned Sick and Safe Leave Law.

XXXIV. New Jersey Paid Sick and Safe Leave Policy

The Company provides eligible Employees with paid sick and safe leave (PSSL) pursuant to the New Jersey Earned Sick Leave Act (the Act).

The guidelines in this policy do not supersede federal, state or local laws regarding leaves of absence, including but not limited to leave taken under the federal and any applicable state or local Family and Medical Leave Act (FMLA), leave taken as a reasonable accommodation under the Americans with Disabilities Act (ADA) or any other applicable federal, state or local law, including those prohibiting discrimination and harassment.

A. Eligibility

All Employees are eligible to accrue PSSL, including Employees of temporary service firms. Individuals exempt from accrual include:

- independent contractors;
- per diem healthcare employees;
- construction workers covered by a collective bargaining agreement; and
- certain public employees.

B. Reasons for Leave

PSSL may be used for the following reasons:

- diagnosis, care, treatment, or recovery for an Employee's own health condition, including preventive care;
- to aid or care for a family member during diagnosis, care, or treatment of, or recovery from, the family member's health condition, including preventive care;
- leave due to the Employee's or Employee's family member's status as a victim of domestic or sexual violence, to obtain medical attention, agency services, counseling, relocation, or legal services, or to participate in a related legal proceeding;
- time when the workplace or the Employee's child's school or childcare is closed by order of a public official or because of a state of emergency declared by the Governor, due to an epidemic or public health emergency;
- time when an Employee cannot work because of the declaration of a state of emergency by the Governor, or the issuance by a health care provider or the Commissioner of Health or other

public health authority of a determination that the Employee's presence in the community, or a member of the Employee's family in need of care by the Employee, would jeopardize the health of others;

- time when the Employee cannot work because, during a state of emergency declared by the Governor, or upon the recommendation, direction, or order of a health care provider or the Commission of Health or other public official, the Employee is isolated or quarantined, or caring for a family member in quarantine, as a result of suspected exposure to a communicable disease and a finding by the provider or official that the Employee or family member's presence in the community would jeopardize the health of others; or
- time needed to attend a child's school-related conference, meeting, or function or to attend other meetings regarding the child's care.

Eligible family members include:

16. the Employee's child (including adopted, foster, stepchild, child of domestic partner or civil union partner, or legal ward);
17. the Employee's domestic partner or civil union partner;
18. the Employee's sibling, spouse, domestic partner, civil union partner, parent (including an adoptive, foster, or stepparent, legal guardian, or a person who stood in loco parentis);
19. the parent of the Employee's spouse, domestic partner, or civil union partner;
20. the Employee's grandparent;
21. the spouse, domestic partner, or civil union partner of the Employee's parent or grandparent;
22. the sibling of a spouse, domestic partner, or civil union partner; or
23. any other individual related by blood or "whose close association with the employee is the equivalent of a family relationship."

C. Accrual and Use

Eligible Employees begin to accrue paid PSSL on their first day of employment. Employees accrue one hour of PSSL for every 30 hours worked in New Jersey, up to a maximum of 40 hours in a calendar year. Regardless of accrual, an Employee may use up to only 40 hours of leave under this policy in any year. Employees may use time under this policy in 1.00-hour increments. Employees may begin to access paid leave on their 120th day of employment with the Company.

For accrual purposes, salaried exempt Employees are assumed to work 40 hours per workweek. If an Employee normally works fewer than 40 hours, then accrual will be based on their normal workweek. Non-exempt Employees accrue PSSL based on all hours worked, including overtime hours worked. PSSL does not accrue when an Employee is not working, such as when the Employee is on an unpaid leave of absence.

D. Carryover

Accrued but unused PSSL can be carried over from year to year. However, the total amount of accrued and unused PSSL carried over may not exceed 40 hours.

The Company does not offer pay in lieu of actual sick or safe leave.

E. Rate of Pay

PSSL is paid based on the Employee's normal hourly rate. PSSL is available only for shifts the Employee was scheduled to work.

F. Requesting Leave and Documentation

When the need for PSSL is foreseeable, Employees must provide seven days' notice of the need for PSSL. Employees must make a reasonable effort to schedule PSSL in a way that does not unduly disrupt the Company's operations. If the need for PSSL is unforeseeable, Employees must provide notice as soon as practicable. In all circumstances, an Employee is responsible for specifying that the requested time off is for sick or safe leave reasons, so that the absence may be designated accordingly.

To schedule or notify of the need to use PSSL, Employees should contact People and Culture electronically.

If PSSL is used for more than three consecutive days, the Company requires Employees to provide supporting documentation that the PSSL was used for a covered purpose.

Employees are not required to find coverage for their work when they take PSSL. Qualified use of PSSL will not result in disciplinary action or be counted as an absence.

G. Internal Transfer of Employment within New Jersey

If an Employee is transferred to a separate division, entity, or location within New Jersey, accrued PSSL will transfer with the Employee.

H. Separation from Employment

Compensation for accrued and unused PSSL is not provided upon separation from employment for any reason. If an Employee is rehired within six months of separation, previously accrued but unused PSSL will be immediately reinstated and available for use.

I. Confidentiality

In accordance with applicable federal, state and local law, the Company will treat as confidential health information or information pertaining to domestic violence, sexual assault or stalking relative to the Employee or the Employee's family member. Such information will not be released without the Employee's express permission, unless otherwise required by law or by a court or administrative agency.

J. Effect on Other Rights and Policies

The Company may provide other forms of leave for Employees to care for medical conditions or for issues related to domestic violence under certain federal, state and municipal laws. In certain situations, leave under this policy may run at the same time as leave available under another federal, state or local law, provided eligibility requirements for that law are met. If sick leave is used for more than three consecutive days and the Employee is eligible for protection under an applicable Family Medical Leave Act (FMLA), the paid sick time and the FMLA will run concurrently. The Company is committed to complying with all applicable laws. Employees should contact People and Culture for information about other federal, state and local medical, domestic violence or family leave rights.

K. No Discrimination or Retaliation

The Company will not retaliate or discriminate against, tolerate retaliation or discrimination against, or restrain or interfere with any Employee who in good faith exercises or attempts to exercise their rights under the New Jersey Earned Sick Leave Act.

XXXV. New Jersey Family Leave Act Policy

Employees working in New Jersey may be eligible for family leave under the New Jersey Family Leave Act (NJFLA), as described below. This policy is a summary of Employee rights under the NJFLA. If there are any differences between the NJFLA and the summary below, the NJFLA will govern.

A. Eligibility for NJFLA

To be eligible for NJFLA leave, a New Jersey Employee must: (1) have been employed by the Company for at least 12 months and (2) have worked for the Company for at least 1000 hours in the 12 months preceding the date the leave is requested to begin.

Please contact People and Culture to determine whether you are eligible for NJFLA leave.

B. Leave Entitlement

An eligible Employee is generally entitled to 12 workweeks of unpaid leave in a 24-month period (a rolling 24-month period measured backward from the date the leave is requested to begin) for the following reasons:

24. Caregiver Leave - to care for a family member with a serious health condition;
25. Bonding Leave - to care for a newborn child or a child placed with the Employee through adoption or foster care; or
26. Public Health Emergency Leave – when an epidemic of a communicable disease, as known or suspected exposure to the communicable disease, or efforts to prevent spread of a communicable disease (including the COVID-19 pandemic) requires an Employee:
 - a. to provide in-home care or treatment for a child due to the closure of the school or place of care of the child of the Employee by order of a public official due to the epidemic or other public health emergency;

- b. to care for a family member of the Employee who is subject to mandatory quarantine due to illness caused by a communicable disease, or a known or suspected exposure to a communicable disease; or
- c. to care for a family member of the Employee whose doctor recommends voluntarily self-quarantine due to suspected exposure to a communicable disease.

NJFLA bonding leave must be commenced (not completed) within 12 months of the child's birth, adoption, or foster care placement.

If an Employee requests leave for a reason that is covered by both the NJFLA and another leave law (such as the FMLA or the SAFE Act) the leave will count simultaneously against the Employee's entitlement under each respective law.

The terms "family member," "child" and "serious health condition" have specific definitions under the NJFLA. Please contact People and Culture for more information.

C. Substitution of Accrued Paid Leave

NJFLA leaves of absence are generally granted without pay. However, Employees may be eligible for compensation while absent on NJFLA leave in certain circumstances.

Employees may elect to use available paid time off while on NJFLA leave.

Employees may be eligible to receive Family Leave Insurance (wage replacement) benefits from the State of New Jersey while on NJFLA leave. Please see section below entitled "Compensation from the State – FLI Benefits" for a complete discussion of Family Leave Insurance Benefits.

Even if not requested by an Employee, the Company may require Employees to use applicable, available paid leave (excluding available accrued New Jersey Paid Sick and Safe Leave (PSSL) paid time off) while on NJFLA leave. Employees will not be required to use available paid leave in lieu of Family Leave Insurance (FLI) benefits. If an Employee applies and qualifies for FLI benefits from the State, the Employee may elect to receive FLI benefits before being required to use their applicable, available paid leave, excluding available accrued PSSL paid time off. Employees may also elect to use their applicable, available paid leave to pay the gap in compensation between FLI benefits and the Employee's full rate of compensation. If an Employee's leave continues after the employee has exhausted their FLI benefits, then the Employee will be required to use all applicable, available paid leave, excluding available accrued PSSL paid time off. After exhaustion of all applicable, available paid leave, the leave will be unpaid.

To the extent allowable by law, available paid leave, used PSSL paid time off, time while FLI benefits are received, and FMLA leave will run concurrently with NJFLA leave.

D. Intermittent/Reduced Schedule Leave

Employees may take NJFLA bonding leave on a continuous, intermittent, or reduced work schedule basis.

Employees may take NJFLA caregiver leave on a continuous basis or, when certified as medically necessary by a health care provider, on an intermittent or reduced work schedule basis.

NJFLA leave taken on an intermittent or reduced schedule basis must be completed in a consecutive 12-month period.

E. Requesting and Scheduling Leave

When an Employee takes NJFLA leave on a continuous basis, the Employee must give the Company 30 days' advance notice when the need for leave is foreseeable, and if not, as much notice as possible.

When an Employee takes NJFLA leave on an intermittent or reduced leave schedule basis, the Employee must give the Company 15 days' advance notice when the need for leave is foreseeable, and if not, as much notice as possible. The Employee should make a reasonable effort to schedule the leave so as not to unduly disrupt the Company's operations and, if possible, provide the Company, prior to the first day of intermittent leave, with a regular schedule of the days or days of the week on which the intermittent leave will be taken.

Even in the absence of a request for family leave, the Company will designate leave taken for reasons that qualify as family leave as approved NJFLA leave and charge the leave taken against the Employee's NJFLA leave entitlement.

F. Required Certifications

Employees requesting family leave will be required to submit an appropriate Certification (in some cases the Company may request the Certification after the Employee's leave request is made, such as in the case of unforeseen leave). Blank Certification forms are available from People and Culture.

An Employee must return the required Certification to People and Culture within 15 days after the Employee requests leave, unless it is not practicable under the circumstances to do so. In such cases, the Employee must return the completed Certification as soon as possible and practical. If an Employee fails to provide timely Certification after being requested to do so, the leave request may be denied until the Certification is provided.

If the Certification submitted by the Employee is incomplete or insufficient, the Employee will be given written notification of the information needed and will have 7 days after receiving such written notice to provide the necessary information, unless it is not practicable under the circumstances to do so. If an Employee fails to cure the deficiencies after being requested to do so, the Employee's leave request may be denied.

In cases where the Company does not agree with the assessment of the Employee's family member's health care provider, the Company may require a second opinion at the Company's expense by another health care provider. In the case of a conflict between the first two opinions, the Company may require, and must pay for, a third opinion by a health care provider jointly designated by the Company and the Employee. The third opinion will be binding.

G. Job/Benefits Protection

An eligible Employee who takes NJFLA leave is entitled, upon return from leave, to be reinstated to their previous position of employment, or to an equivalent position with equal pay, benefits, and other terms and conditions of employment. There are certain exceptions to this requirement, including in the case of layoffs that occur during leave affecting the Employee's position and in the case of "Key Employees", as defined by law.

Employees must notify the Company of their intention to return to work at least 2 weeks prior their return-to-work date. An Employee who desires to return to work earlier than scheduled must give the Company at least 2 days prior notice of the Employee's intent.

An Employee who takes family leave is not entitled to the accrual of additional benefits or seniority that would have occurred during the period of leave. However, Employees are entitled to accrue hours of service (service credit) during periods of paid leave.

H. State Compensation – FLI Benefits

An Employee who takes bonding or caregiver leave may be eligible for Family Leave Insurance (FLI) benefits from the State. FLI benefits are intended to compensate Employees for wage loss experienced while taking these two types of family leave. Employees who apply and qualify for FLI benefits are eligible to receive 85 percent of their average weekly wage (up to a maximum set by the State) for a maximum of 12 weeks when leave is taken on a continuous basis or in intermittent weekly increments (or 56 days when leave is taken in intermittent daily increments) per 12-month period.

The following additional eligibility terms apply to FLI benefits:

- Employees may receive FLI benefits for bonding leave taken on a continuous basis or an intermittent basis. Employees may receive FLI benefits for caregiver leave taken on a continuous basis or, when certified as medically necessary, on an intermittent basis.
- Employees must give the Company at least 30 days' notice prior to commencing bonding leave on a continuous basis, unless the commencement time of the leave is unforeseeable. Employees intending to take such leave on an intermittent basis must give the Company at least 15 days prior notice, unless an unforeseen emergency precludes prior notice.
- Employees must give the Company notice in a reasonable and practicable manner prior to commencing caregiver leave on a continuous basis, unless an unforeseen emergency precludes prior notice. Employees intending to take such leave on an intermittent basis must give the Company at least 15 days prior notice, unless an unforeseen emergency precludes prior notice.
- Employees apply for FLI benefits from the State by submitting a claim form to the State, which are available from the Employee's Supervisor or People and Culture.
- Eligibility for FLI benefits is determined by the State, not the Company.

Employees who take bonding or caregiver leave under the NJFLA are permitted, but not required, to apply for FLI benefits from the State. If an Employee's elects not to apply for FLI benefits when taking bonding or caregiver leave, the Company's normal rules regarding the substitution of paid leave applicable to New Jersey Employees will apply.

An Employee may be eligible for FLI benefits from the State even if the Employee is not eligible for family leave under the NJFLA.

The Company may require certification from a health care provider supporting the need for FLI.

A separate notice describing Employees' rights to FLI benefits is available from People and Culture.

XXXVI. Domestic Violence/Sexual Assault Victim Leave Policy

Under the New Jersey Security and Financial Empowerment Act (SAFE Act), an eligible Employee, who (1) is a victim of an incident of domestic violence or sexual assault or (2) whose family member is a victim of such an incident, is entitled to unpaid leave for various medical and legal purposes, as explained below. This policy is a summary of Employees' rights under the SAFE Act. If there are any differences between the Act and the summary below, the Act will govern.

A. Eligibility for Leave

To be eligible for leave, a New Jersey Employee must have: (1) been employed by the Company for at least 12 months and (2) worked at least 1,000 hours during the 12-month period immediately preceding the leave.

Employees should contact People and Culture to determine whether they are eligible for SAFE leave.

B. Reasons for Leave

An eligible Employee may take leave for purposes of:

- seeking medical attention for, or recovering from, physical or psychological injuries caused by domestic or sexual violence to the employee or the Employee's family member;
- obtaining services from a victim services organization for the employee or the Employee's family member;
- obtaining psychological or other counseling for the employee or the Employee's family member;
- participating in safety planning, temporarily or permanently relocating, or taking other actions to increase the safety of the Employee or the Employee's family member from future domestic or sexual violence or to ensure economic security;
- seeking legal assistance or remedies to ensure the health and safety of the Employee or the Employee's family member, including preparing for, or participating in, any civil or criminal legal proceeding related to or derived from domestic or sexual violence; or
- attending, participating in, or preparing for a criminal or civil court proceeding relating to an incident of domestic or sexual violence of which the Employee or the Employee's family member was a victim.

C. Amount of Leave

Under the SAFE Act, an eligible Employee is entitled to 20 days of unpaid leave during the 12-month period following an incident of domestic violence or sexual assault for any of the reasons stated above. An eligible Employee is also entitled to 20 days of unpaid leave for any subsequent incidents of domestic violence or sexual assault, but no more than 20 days of leave may be taken during any 12-month period. Leave may be taken intermittently in intervals of no less than a day.

D. Substitution of Paid Leave/Coordination with Other Leave Laws

SAFE leaves of absence are generally granted without pay. However, Employees may be eligible for compensation while absent on SAFE leave in certain circumstances.

If applicable, Employees may elect to use available paid leave while on SAFE leave.

An Employee who is disabled as a result of an incident of domestic violence or sexual assault may be eligible for Temporary Disability Insurance (wage replacement) benefits from the State of New Jersey while on SAFE leave. Employees should contact People and Culture for more information.

Employees who are not disabled but otherwise eligible for SAFE leave may be eligible to receive Family Leave Insurance (wage replacement) benefits from the State of New Jersey while on SAFE leave. Please see section above in the New Jersey Family Leave Act (NJFLA) Policy, entitled "State Compensation – FLI Benefits" for a complete discussion of Family Leave Insurance (FLI) Benefits.

Even if not requested by an Employee, the Company may require Employees to use applicable, available paid leave while on SAFE leave. However, Employees will not be required to use available paid leave in lieu of FLI benefits. Nor will they be required to use PSSL. If an Employee applies and qualifies for FLI benefits from the State, the Employee may elect to receive FLI benefits before being required to use their applicable, available paid leave. If an Employee's leave continues after the Employee has exhausted their FLI benefits, then the Employee will be required to use all applicable, available paid leave with the exception of PSSL. After exhaustion of all such available paid leave, the leave will be unpaid.

If an Employee requests leave for a reason that is covered by both the SAFE Act and the NJFLA, the leave will count simultaneously against the Employee's entitlement under each respective law.

Applicable paid leave, used PSSL, and time while FLI benefits are received will run concurrently with SAFE leave.

E. Requesting and Scheduling Leave

If the need for leave under this policy is foreseeable, an Employee must provide the Company with advance written notice of the need for leave. The notice must be provided to the Employee's Supervisor or People and Culture as far in advance as is reasonable and practical under the circumstances, unless an emergency or other unforeseen circumstances precludes prior notice.

F. Required Documentation

An Employee must submit documentation in support of their leave request. Any one of the following forms of documentation will be deemed sufficient:

- a domestic violence restraining order or other documentation of equitable relief issued by a court of competent jurisdiction;
- a letter or other written documentation from the county or municipal prosecutor documenting the domestic violence or sexually violent offense;

- documentation of the conviction of a person for the domestic violence or sexually violent offense;
- medical documentation of the domestic violence or sexually violent offense;
- certification from a certified Domestic Violence Specialist or the director of a designated domestic violence agency or Rape Crisis Center, that the Employee or Employee's family member is a victim of domestic violence or a sexually violent offense; or
- other documentation or certification of the domestic violence or sexually violent offense provided by a social worker, member of the clergy, shelter worker, or other professional who has assisted the Employee or the Employee's family member.

G. Confidentiality

The Company will maintain the confidentiality of any documentation provided by an Employee in support of their leave request, and any information regarding a leave taken under this policy and, if applicable, the Employee's failure to return to work, unless disclosure is voluntarily authorized in writing by the Employee or is required by a federal or state law, rule, or regulation.

Any information Employees submit to the Company regarding their SAFE Act leave should be directed to People and Culture.

H. Discrimination and Retaliation Prohibited

Discharging, harassing, or otherwise discriminating or retaliating against Employees for exercising their rights under the New Jersey SAFE Act is strictly prohibited. Employees who believe they have been subjected to any such improper conduct should contact People and Culture immediately.

XXXVII. Conscientious Employee Protection Act ("Whistleblower Act")

New Jersey's Conscientious Employee Protection Act (CEPA), also known as the "Whistleblower Act", prohibits an employer from taking any retaliatory action against an employee because the employee:

27. discloses, or threatens to disclose, to a supervisor or to a public body an activity, policy or practice of the Company or another employer with whom there is a business relationship, that the employee reasonably believes is in violation of a law, or a rule or regulation issued under the law, or, in the case of an employee who is a licensed or certified health care professional, reasonably believes constitutes improper quality of patient care;
28. provides information to, or testifies before, any public body conducting an investigation, hearing or inquiry into any violation of law, or a rule or regulation issued under the law by the Company or another employer with whom there is a business relationship, or, in the case of an employee who is a licensed or certified health care professional, provides information to, or testifies before, any public body conducting an investigation, hearing or inquiry into quality of patient care;
29. provides information involving deception of, or misrepresentation to, any shareholder, investor, client, patient, customer, employee, former employee, retiree, or pensioner of the Company or any governmental entity;

30. provides information regarding any perceived criminal or fraudulent activity, policy or practice of deception or misrepresentation which the employee reasonably believes may defraud any shareholder, investor, client, patient, customer, employee, former employee, retiree, or pensioner of the Company or any governmental entity; or
31. objects to, or refuses to participate in, any activity, policy or practice which the employee reasonably believes (a) is a violation of a law, or a rule or regulation issued under the law or, if the employee is a licensed or certified health care professional, constitutes improper quality of patient care; (b) is fraudulent or criminal; or (c) is incompatible with a clear mandate of public policy concerning the public health, safety or welfare or protection of the environment.

The protection against retaliation, when disclosure is made to a public body, does not apply unless the employee has brought the activity, policy or practice to the attention of a supervisor of the employee by written notice and given the employer reasonable opportunity to correct the activity, policy or practice. However, disclosure is not required when the employee reasonably believes that the activity, policy or practice is known to one or more supervisors of the employer or where the employee fears physical harm as a result of the disclosure, provided that the situation is emergency in nature.

The Company has designated the following contact person to receive written notifications pursuant to this policy: Gretchen Swan, VP of People and Culture at gswan@intleycare.com.

XXXVIII. Drug and Alcohol-Free Workplace Policy

Marijuana

When an applicant or Employee tests positive for marijuana, the Company will provide the individual with written notice of the positive test result. Within three working days after the individual receives such written notice, they may provide a legitimate medical reason for the positive test result or request retesting at their own expense. The legitimate medical reason may be an authorization for medical marijuana use by a healthcare provider, proof of registration for medical marijuana, or both. Consistent with applicable law, the Company will consider all such information prior to taking any employment action with respect to the individual.

XL. Donor Leave

Pennsylvania's Living Donor Protection Act (the "LDPA") will provide time off to organ and tissue donors to cover time off for donation surgery, including necessary preparation and recovery.

Employees will be eligible for leave under the LDPA if they meet federal FMLA eligibility criteria and must follow the same Company procedures for LDPA as they would for FMLA.

Leave under the LDPA applies to an Employee's own donation or to care for a spouse, child or parent who is making or receiving an organ or tissue donation. LDPA leave will run concurrently with FMLA leave. LDPA leave is unpaid.

To avoid a delay in FMLA and LDPA protection, the Employee must give notice as soon as possible and practicable under the circumstances of enough facts to advise the person receiving the call that FMLA and LDPA may apply.

If an Employee fails to give the required notice with no reasonable excuse, FMLA and LDPA coverage may be delayed for a period of time. This can result in discipline for absences taken prior to FMLA and LDPA coverage commencing.

Employees should make every reasonable effort to schedule foreseeable medical treatments so as not to disrupt the Company's operations.

XLI. Final Paycheck

A terminated Employee who is laid off or voluntarily quits will be paid any wages owed on the next scheduled payday following the termination. If the Employee requests, the Company will make such payment by certified mail.

XLII. ALLEGHENY COUNTY POLICIES

(APPLICABLE TO ALLEGHENY COUNTY EMPLOYEES WHO DO NOT WORK IN PITTSBURGH ONLY)

Allegheny County Employees: please note that wherever Allegheny County law provides for or offers greater protections to Employees than this Pennsylvania Employee Handbook Supplement (“*State Supplement*”), including this Allegheny County subsection of the *State Supplement*, Allegheny County law will govern. Additionally, if the provisions in this Allegheny County subsection conflict with either (a) the rest of this Pennsylvania *State Supplement* or (b) the *Employee Handbook*, the policies in this Allegheny County subsection will control. All of the policies set forth below may not be applicable to all Employees. Employees should contact People and Culture with any questions about the policies in this *State Supplement*.

I. Allegheny County, Pennsylvania Paid Sick Time Policy

The Company provides eligible Employees with paid sick time (“PST”) pursuant to the Allegheny County Paid Sick Days Ordinance.

The guidelines in this policy do not supersede federal, state or local laws regarding leaves of absence, including but not limited to leave taken under the Family and Medical Leave Act (FMLA), leave taken as a reasonable accommodation under the Americans with Disabilities Act (ADA) or any other applicable federal, state or local law, including those prohibiting discrimination and harassment.

A. Eligibility

All Employees who work 35 or more hours in Allegheny County in a calendar year are eligible to accrue PST. “Seasonal Employees”, i.e., those hired for a temporary period of no more than 16 weeks during a calendar year who have been notified in writing at the time of hire that their employment is limited to the seasonal period, are exempt from accrual.

Independent contractors also are ineligible to accrue PST.

B. Reasons for Leave

PST may be used for the following reasons:

- the Employee's own mental or physical illness, injury, or health condition, including need for diagnosis, care, or treatment of a mental or physical illness, injury, or health condition, or need for preventive care;
- a family member's mental or physical illness, injury, or health condition, including care of a family member who needs diagnosis, care, or treatment of a mental or physical illness, injury, or health condition, or preventive care; or
- closures of the Employee's place of business or the Employee's child's school or place of care, by order of a public official due to a public health emergency; or
- care for a family member when health authority or health care provider has determined that the family member's presence in the community would jeopardize the health of others because of

the family member's exposure to a communicable disease, whether or not the family member has actually contracted the disease.

Eligible family members include an Employee's:

- child (including biological, adopted or foster child, stepchild, legal ward, a child of a domestic partner, or a child for whom the Employee stands in loco parentis);
- parent (biological, adopted, or foster parent, step-parent; legal guardian of an Employee or an Employee's spouse or domestic partner or a person who stood in loco parentis to the Employee as a minor child);
- spouse or domestic partner;
- grandparent or the spouse or domestic partner of a grandparent; grandchild; sibling (including biological, foster, and adopted siblings); and
- any individual for whom the Employee has received verbal permission from the Company to care for at the time of the Employee's request to make use of paid sick PST.

C. Accrual and Use

Eligible Employees begin to accrue paid PST on their first day of employment. Employees accrue one hour of PST for every 35 hours worked within the geographic boundaries of Allegheny County, up to a maximum of 40 hours in a calendar year. An Employee may use up to 40 hours of leave under this policy in any year. Employees may use time under this policy in 1.00-hour increments. An Employee may begin to access PST on their 90th day of employment with the Company.

For accrual purposes, salaried exempt employees are assumed to work 40 hours per workweek. If an exempt employee normally works fewer than 40 hours, then accrual will be based on their normal workweek. Non-exempt employees accrue PST based on all hours worked, including overtime hours worked. PST does not accrue when Employee is not working, such as when the Employee is on an unpaid leave of absence.

D. Carryover

Accrued but unused sick and safe time can be carried over from year to year. However, the total amount of accrued and unused time may not exceed 40 hours.

The Company does not offer pay in lieu of actual sick leave.

E. Rate of Pay

PST is paid based on the Employee's regular hourly base rate of pay. Employees will be paid only for the hours they are scheduled to work.

F. Requesting Leave and Documentation

When the need for PST is foreseeable, Employees must provide seven days' notice of the need for sick time, including the expected duration. Employees should attempt to schedule PST in a way that does not unduly disrupt the Company's operations. If the need for PST is unforeseeable, Employees must provide notice as

soon as practicable. In all circumstances, an employee is responsible for specifying that the requested time off is for PST reasons, so that the absence may be designated accordingly.

To provide notice of the need to use PST, Employees should contact People and Culture electronically.

If PST is used for more than three consecutive days, the Company requires Employees to provide supporting documentation that the PST was used for a covered purpose.

Employees are not required to find coverage for their work when they take PST. Qualified use of PST will not result in disciplinary action or be counted as an absence.

G. Internal Transfer of Employment

The Company will continue to allow a covered Employee to use previously accrued PST after that same Employee transfers to a separate division, entity or location outside of Allegheny County. However, the covered Employee will not accrue additional PST following transfer out of Allegheny County under this policy.

H. Separation from Employment

Compensation for accrued and unused PST is not provided upon separation from employment for any reason. If an Employee is rehired by the Company within six months of separation from employment, previously accrued but unused PST will be immediately reinstated and available for use.

I. Confidentiality

In accordance with applicable federal, state, and local law, the Company will treat as confidential health information relating to the Employee or their family member. Such information will not be released without the Employee's express permission, unless otherwise required by law or by a court or administrative agency.

J. Effect on Other Rights and Policies

The Company may provide other forms of leave for employees to care for medical conditions or for issues related to domestic violence under certain federal, state and local laws. In certain situations, leave under this policy may run at the same time as leave available under another federal, state or local law, provided eligibility requirements for that law are met. If PST is used for more than three consecutive days and the Employee is eligible for protection under an applicable Family Medical Leave Act (FMLA), the paid PST and the FMLA will run concurrently. The Company is committed to complying with all applicable laws. Employees should contact People and Culture for information about other federal, state and local medical, domestic violence or family leave rights.

K. No Discrimination or Retaliation

The Company will not retaliate or discriminate against, tolerate retaliation or discrimination against, or restrain or interfere with any Employee who in good faith exercises or attempts to exercise their rights under the Allegheny County Paid Sick Days Ordinance. These rights include the right to use sick time pursuant to the Ordinance, the right to file a complaint with the County about any employer's alleged violations of the Ordinance, or in court, and the right to inform any person of their potential rights under the Ordinance.

XLIII. PHILADELPHIA POLICIES

(APPLICABLE TO CITY OF PHILADELPHIA EMPLOYEES ONLY)

 - relocation due to the domestic or sexual violence or stalking; or
 - legal services or remedies, including preparation for or participation in any legal proceeding related to or resulting from the domestic or sexual violence.

Eligible family members include an Employee's:

- (a) child (biological, adopted or foster child, stepchild, legal ward, or child to whom the Employee stands in loco parentis);

An Employee may begin to access leave on their 90th day of employment with the Company.

For accrual purposes, salaried exempt employees are assumed to work 40 hours per workweek. If an exempt employee normally works fewer than 40 hours, then accrual will be based on their normal workweek. Non-exempt employees accrue ESST based on all hours worked, including overtime hours worked. ESST does not accrue when an Employee is not working, such as when the Employee is on an unpaid leave of absence.

D. Carryover

Accrued but unused ESST can be carried over from year to year. However, the total amount of accrued and unused time may not exceed 40 hours.

The Company does not offer pay in lieu of actual sick or safe leave.

E. Rate of Pay

ESST is paid based on the Employee's regular hourly rate. Employees will be paid only for the hours they are scheduled to work. Employees will not be paid unused ESST upon separation from employment.

F. Requesting Leave and Documentation

When the need for ESST is foreseeable, Employees must provide seven days' notice of the need for sick time, including the expected duration. Employees should attempt to schedule ESST in a way that does not unduly disrupt the Company's operations. If the need for ESST is unforeseeable, Employees must provide notice as soon as practicable. In all circumstances, an employee is responsible for specifying that the requested time off is for ESST reasons, so that the absence may be designated accordingly.

To provide notice of the need to use ESST, Employees should contact People and Culture electronically.

If ESST is used for more than two consecutive days, the Company requires Employees to provide supporting documentation that the ESST was used for a covered purpose.

Employees are not required to find coverage for their work when they take ESST. Qualified use of ESST will not result in disciplinary action or be counted as an absence.

G. Confidentiality

In accordance with applicable federal, state, and local law, the Company will treat as confidential health information relating to the Employee or their family member. Such information will not be released without the Employee's express permission, unless otherwise required by law or by a court or administrative agency.

H. Effect on Other Rights and Policies

- leave related to domestic violence, sexual assault, or stalking impacting the Employee or their family member.

Eligible family members include an Employee's:

- (a) child (biological, adopted, or foster child, stepchild, legal ward, child of a domestic partner, or child for whom the Employee stands "in loco parentis");
- (b) parent (biological, adoptive, foster or step-parent of an Employee or of the Employee's spouse, or other person who assumed the responsibilities of parenthood when the Employee or Employee's spouse was a child);
- (c) spouse or domestic partner;
- (d) sibling (biological, half, step, foster, or adopted);
- (e) parent-in-law;
- (f) grandparent;
- (g) care recipient; or
- (h) member of the Employee's household, i.e., a person that resides at the same physical address as the Employee or a person that is claimed as a dependent by the Employee for federal income tax purposes.

C. Accrual and Use of ESST

Eligible Employees begin to accrue ESST on their first day of employment. Employees accrue one hour of ESST for every 35 hours worked in Rhode Island, up to a maximum of 40 hours in a calendar year. Regardless of accrual, an Employee may use only up to 40 hours of leave under this policy in any year. Employees may use time under this policy in 1.00-hour increments. An Employee may begin to access leave after 90 days of employment with the Company.

For accrual purposes, salaried exempt employees are assumed to work 40 hours per workweek. If an Employee normally works fewer than 40 hours, then accrual will be based on their normal workweek. Non-exempt employees accrue ESST based on all hours worked, including overtime hours worked. ESST does not accrue when an Employee is not working, such as when the Employee is on an unpaid leave of absence.

D. Carryover

Accrued but unused ESST can be carried over from year to year. However, the total amount of accrued and unused time may not exceed 40 hours.

The Company does not offer pay in lieu of actual sick or safe leave.

E. Rate of Pay

ESST is based on the Employee's normal hourly rate, or the state's minimum wage, whichever is greater.

Employees will be paid only for the hours they are scheduled to work. If the Employee is paid based on commission or another non-hourly based formula, pay will be based on guidance provided under the law. Please contact People and Culture at benefits@intelycare.com for additional information.

F. Requesting ESST and Documentation

When the need for ESST is foreseeable, Employees must provide reasonable notice, preferably at least seven days' notice, of the need for ESST. If the need for ESST is unforeseeable, Employees must provide notice as soon as practicable. In all circumstances, an Employee is responsible for specifying that the requested time off is for sick or safe leave reasons, so that the absence may be designated accordingly. Employees should include the expected duration of an ESST absence in their request for ESST time when possible.

To provide notice of the need to use ESST, Employees should contact People and Culture electronically.

ESST is available only for shifts the Employee was scheduled to work.

If ESST is used for more than three consecutive work days, the Company requires Employees to provide supporting documentation that the ESST was used for a covered purpose.

Employees are not required to find coverage for their work when they take ESST. Qualified use of ESST will not result in disciplinary action or be counted as an absence.

G. Internal Transfer of Employment

If an Employee is transferred to a separate division, entity, or location within the state, but remains employed by the Company, the Employee is entitled to all paid ESST accrued at the prior division, entity, or location and is entitled to use all paid ESST accrued up to the 40-hour annual cap.

H. Separation from Employment

Compensation for accrued and unused ESST is not provided upon separation from employment for any reason. If an Employee is rehired by the Company within 135 days of separation from employment, previously accrued but unused ESST will be immediately reinstated and available for use.

I. Confidentiality

In accordance with applicable federal, state, and local law, the Company will treat as confidential health information or information pertaining to domestic violence, sexual assault or stalking relating to the Employee or their family member. Such information will not be released without the Employee's express permission, unless otherwise required by law or by a court or administrative agency.

J. Effect on Other Rights and Policies

The Company may provide other forms of leave for Employees to care for medical conditions or for issues related to domestic violence under certain federal, state and local laws. In certain situations, leave under this policy may run at the same time as leave available under another federal, state or local law, provided eligibility requirements for that law are met. If ESST is used for more than three consecutive days and the Employee is eligible for protection under an applicable Family Medical Leave Act (FMLA), the paid sick time and the FMLA will run concurrently. The Company is committed to complying with all applicable laws. Employees should contact People and Culture for information about other federal, state and local medical, domestic violence or family leave rights.

K. No Discrimination or Retaliation

The Company will not retaliate or discriminate against, tolerate retaliation or discrimination against, or restrain or interfere with any Employee who in good faith exercises or attempts to exercise their rights under the Rhode Island Healthy and Safe Families and Workplace Act.

LI. Drug and Alcohol-Free Workplace Policy

- **Reasonable Suspicion Testing:** Employees will be subject to reasonable suspicion testing if the Company has reasonable grounds—based on the specific aspects of the Employee's job performance and specific contemporaneous documented observations concerning the Employee's appearance, behavior, or speech—to believe the Employee may be under the influence of a controlled substance that may be impairing their ability to perform their job.
- **Post-Accident Testing:** Employees will not be subject to Post-Accident Testing except to the extent that the circumstances also support Reasonable Suspicion Testing.
- **Return-to-Duty and Follow-up Tests:** Return-to-Duty and Follow-up Tests will be conducted to the maximum extent allowed by Rhode Island law in conjunction with a referral for treatment.
- **Testing Results:** Employees will be given an opportunity to have a portion of their sample re-tested, at the Company's expense, by an independent laboratory.
- **Rehabilitation:** Any Employee who tests positive (or whose test is deemed to be adulterated, altered, diluted or substituted) on a drug test as verified by the MRO will be referred to a substance abuse professional licensed in the State of Rhode Island for the treatment of substance abuse and addiction. An Employee will not be disciplined or discharged for the first confirmed positive test if the Employee agrees to participate in, and successfully completes, a counseling or rehabilitation program. If the Employee does not agree to participate in a counseling or rehabilitation program, the Company may terminate that Employee. Follow-up testing may be required in connection with the referral. Any Employee who tests positive for drugs or alcohol impairment after a referral to rehabilitation will be subject to employment termination.
